11. - Wccftech: 90/100
12. - IGN: 90/100

13. - Comicbook.com: 80/100
14. - Destructoid: 85/100
15. - GameSpot: 80/100

In the review of Horizon Forbidden West, the writer of IGN shared: "This is a game with a great combination of engaging fighting style, unique character design and an epic open world. Horizon Forbidden West is a great choice for any gamer who owns a PS5".

It is known that Horizon Forbidden West will be set about 6 months after the events of the predecessor Horizon Zero Dawn game. And the heroine Aloy will continue to hit the road to perform all-new combat missions.

With the "terrible" hardware power from PS5, Horizon Forbidden West will bring players into a world of amazing fantasy and grandeur. Not only that, the gameplay has also been improved to bring more diverse fighting styles for gamers to choose from.
