

# Super composition based on the song 'The stranger' of the online community

The stranger is the song that is used as an inspiration to help the online community to create funny humorous images.

Netizens are indeed "gods" and are people with rich minds, creating extremely humorous photos that bring joy to us after every stressful working hour. If you remember, last summer, we had to face hot weather days to record, now netizens were quick to create funny pictures to dispel the heat, or the Funny muddy photo of Annabelle doll. This year, continue the humorous institutional photos, Network Administrator would like to send you a collection of the collection of songs "The stranger". This song has only been released for a few days but has created a real fever among young people. "Stranger" has also become an endless source of inspiration for netizens competing to make pictures over the past few days.

Released just over 4 days, the song "Stranger" has collected over 16 million views on Youtube and became the hottest song of V-Pop at the beginning of the year. The phrase "stranger" has also become a hot keyword sought by many people, because this is an endless source of inspiration for the sacred images and words to vent your hearts.
