

Super product Nokia 8 Sirocco, running Android One, the price of iPhone X

After struggling under the shadow of Microsoft, Nokia returned to its new companion HMD.

After struggling under the shadow of Microsoft, Nokia returned to its new companion HMD. And this product launch is Nokia 8 Sirocco, bringing Nokia brand to high-end happiness, the price is nearly the same as the thousand-dollar iPhone X phone, not just stark 'brick' as in any year.

Nokia 8 Sirocco has a full-glass design, like the latest high-end products from Samsung and Apple, and stainless steel frames on both sides. This body glass comes with many features, such as wireless charging, and of course looks more luxurious.

Nokia's new phone uses a pOLED QHD screen with Gorilla Glass 5 and 3D Glass, which is technically able to make curved edges like on the Galaxy S8. The device runs Android One, uses Snapdragon 835 processor, no less than 6GB RAM and 128GB storage capacity. Dual camera ZEISS wide-angle 12 megapixel lens (2L7, 1.4um, 2PD, f / 1.7, FOV 78.2 ") and 13 megapixel telephoto (3M3, 1.0um, f / 2.6, FOV47.3"), 2-color flash with with 5 megapixel camera.

According to Nokia, 3260mAh battery after each charge can be used all day, in addition to Bluetooth 5.0, WiFi 802.11.a / b / g / n / ac and LTE Cat 12. However, this phone does not have speaker 2. channel and headphone jack.

Sirocco Nokia 8 will be on sale from April and the initial price is 749 Euro in Europe, equivalent to about \$ 920.
