

# Super romantic love date status for couples

Summarizing wedding anniversary wishes, including a wish for your wife and husband, for friends to help you easily and quickly choose the best, meaningful and appropriate wishes to send to your spouse / my friends.

Each person has a different definition of love, love is an emotion that is full of happiness, sadness, even bitterness, also contained in it. In order to express these feelings, many people often choose touching words and stt to express their feelings of affection for people on social networks. There are sweet emotional stt lines that millions of people love. Stt commemorating the love affair of couples for each other is one of the stt lines that makes people admire.

1. Love someone is when you realize that every day, he or she will give you more new things. He will smile at you with a genuine smile, tell you in a sweet voice, look at you with affectionate eyes and take care of you with close, loving gestures.

2. What is called between the two of us?

Sometimes very close, sometimes far away.

Sometimes, I am very interested, sometimes I know almost.

Sometimes like love, sometimes lighter than friendship.

At times very happy, there are times when I feel depressed.

I am very happy now, Thank you very much.

3. Quickly I have been in love for a year already. I remember the day I offered to love you. I didn't say anything that just hugged me.

4. Only love really makes people. . I hope only happiness really makes people try . keep it!

5. Thank you for giving me the wonderful memories of yesterday, the happiness of today, and the sweet promise of all the days after that!

No need for a romantic love .

Just 1 love has no expiry date !!!!

6. Happiness must be found in thorns

The future must find in the past

Love must find in 3 words

Two loving words a waiting word

And finally I waited enough for you to be with me

7. How much nostalgia to be called love?

How much waiting to exchange 1 sincere love?

How many legs to prove for the only love?

It is never enough

8. My dear, I have been worrying so much for the last time, right? I'm sorry, really, I am stubborn and persistent. I don't know why you're like that to me. I know you are also angry with me but because I love you, I tried to yield. He tried hard to keep them close together.

10. Brother, the road ahead of us has many challenges and difficulties. Let's go through all of you together. And one more thing I want to send to you is: "The more I love you, the more I love my love. I wish our love will last forever and be happy.

11. ONE WHEN:

- Holding hands tightly will never let go. . .
- Having loved wholeheartedly will not easily give up.

BECAUSE OF:

- Find a too hard happiness. .
- It has to pay with pain, tears and time.

REMEMBER!

- Must hold tightly, do not let the small mistake but let go!

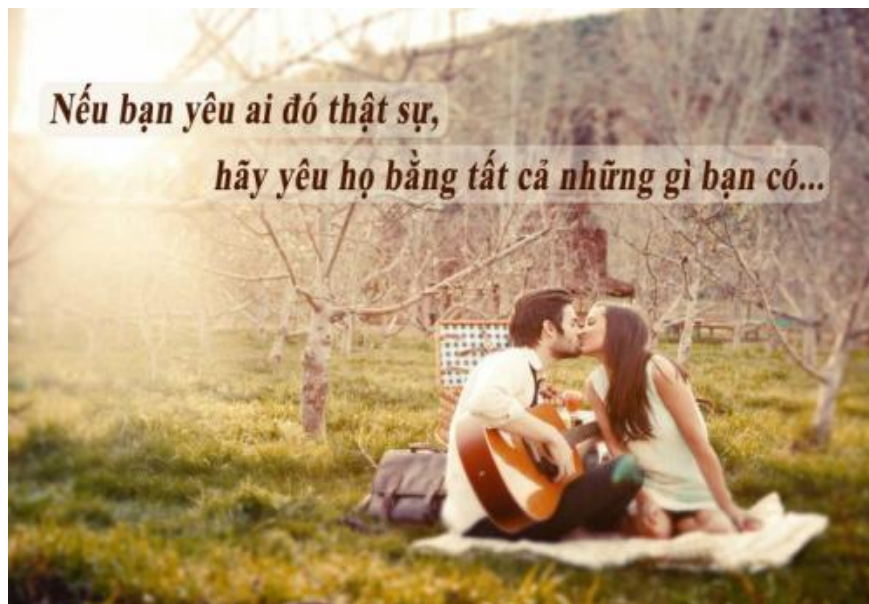

12. The best life should only be loved once.

Many people will get used to easily compare.

Love many times will lose feeling.

Breaking up many times will become a habit.

In the end, I couldn't believe in love myself. Actually, in love, the more simple, the happier.

13. With the world I am just someone. But for me, I am the whole world. He knew he was not rich to ensure a full life for him. I know, I'm not proud to be proud of you. I know, I'm not handsome so I'm proud of everyone. But I have a sincere love for you with all my heart.

14. I am not romantic to be able to write poetry for you, I am not talented to be able to paint for you, I am not rich to buy a rose garden for me . But I am generous enough to be able to give I have all my heart, brave enough to protect you all my life, enough faithful to forever love you only in my life . Take my heart, let me be your bodyguard for life and let . I love you . please!

15. Brother, tomorrow is the 3rd anniversary of our official love. Although knowing that time has left us memories, regret, unfortunately it passed so quickly. Soon we will grow old, and will our love be as salty as the last three months?

16. Many times I wonder then I answered myself that we will always be together and love each other like the first day of love. Because I believe in you and believe in our love. Do you think that?

17. Europe sleeps, Asia is also sleeping, America is darkening, only the most beautiful eyes in the world are reading his messages. Wish you a happy anniversary !!!

18. Love is to want to be with a person, not wanting to stay away from that person for even a second.

19. My brother, the road ahead of us has many challenges and difficulties. Let's go through all of you together. And one more thing I want to send to you is: "The more I love you, the more I love my love. I wish our love will last forever and be happy.

20. I have gone through 365 days of love. Oh yeah, there are days of love, obviously hate, that is annoying to you. There were days that went by in silence, just remembering and just going crazy. But those days are lacking to have fun and happy days for you.

21. I went through rainy days, sunny days. Luckily there is no need to go through a day with a bitter and spicy name. Sometimes I don't understand each other, sometimes I am angry. I know, e of e had to be very patient to follow a stubborn child like me. Maybe at some time, I was very upset, suppressed and uncomfortable. I didn't mean to make you hard. Simply because I am a girl, I also want to be pampered, love the afternoon.

22. You, I have many memories. The familiar eateries, delicious drinks shops. Get the same brother and me with the same love with these items so the culinary notebook of our two is getting thicker. Love is to eat to be fat. Well, I have the same hobby as a checkered shirt with me. I like guys wearing checkered shirts.

23. You, really thank you for the past few days. For others 1 year is short but with e is a short period of time. Hihi. A little good care. It's raining or cold, I'm sick of going a long way to buy medicine with food. E hungry, I want to go somewhere or want to go out there is a escort.he. Of course, there were tensions besides that, but now it was a shame to erase your mistakes. Hoho.

24. Today is the love I have 1 year old, I hope I will have the next anniversary. Hope you will always be patient, understand, love me like that and more. "Because for me, having him is a kind of happiness." The last thing I want to say is I love you.

26. In my eyes, I see tomorrow . In my arms, I find love. Love you today and forever.

27. Let's share the world together. And if the sea is for you, the wave is for you. The sky is for me, those twinkling stars will be for you. If the sun is for you, then the light is for you . And everything for me, I will pray for you.

28. If God only gives me a day to live. I will spend that day to love you, passionate and burning. You're stupid, don't you, but my love is always for you. Happy Valentine's Day, My Love!

29. Now I love you, today and tomorrow, and God gave me the time . I will love you till the end of my life.

30. I have always dreamed of beautiful dreams, dreams including me . I came to him very passionately, passionately like the arrangement of fate. In the dream, he was happy, and he wanted to extend that happy dream, lasting forever . I wish you a happy Valentine and remember me.

31. In heaven there are 10 angels: 5 angels are playing, 4 angels are talking and 1 angel is reading this message .

32. I will cheer up at 4am to text you: I love you so much.
