

Surprised with the ability of the non-punching card that made ninja admire this guy

With the card, Rick can cut the burnt candle's heart, cut off the olive fruit thrown into the air ...

Forget the Ninja with the ability to throw secretly throwing darts but only appear on comics and movies, this guy will let you open your eyes with the non-sublime cards, where you won't win.

1. Who are the 12 real characters behind the cards "J, Q, K" in the West deck?
2. Which card is the most special card in the West?

Rick Smith Jr, a magician who performs magic tricks with a song known as a modern "ninja", has a talent for sorrowful cards. The heart of the candle was burning, cutting off the olive fruit that was thrown into the air .

Check out the video below to see what this magician can do with the cards, you'll be amazed.
