

# Synthesis of 50+ Truth Arena wallpapers for computers and laptops

We invite you to download the set of Truth Arena wallpapers for computers and laptops with the appearance and characteristic image of the Truth Arena.

The School of Truth, the regime has officially accompanied the League of Legends. Unlike the 5vs5 mode of League of Legends, the DTCL is a chess board mode and turn-based game.

You will have to face more than 7 other opponents in a tactical race, to build the strongest team. All you need to achieve is to become the last survivor.

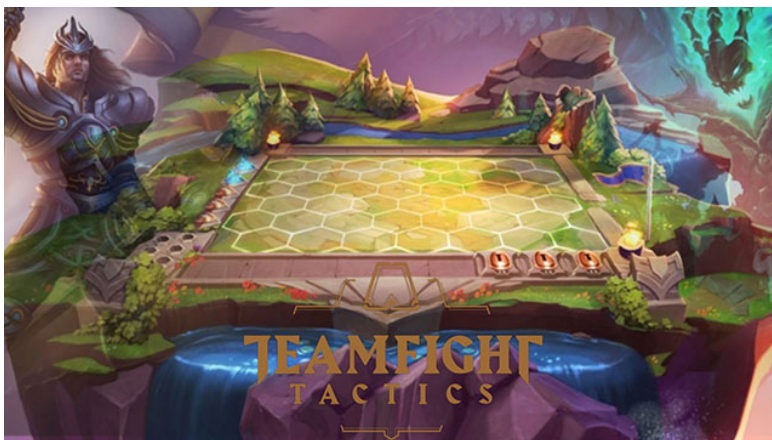

Specifically, you will use the amount of gold earned after each round to buy the generals in your squad. During the battle, your formation will increase in strength with the generals of the same generation and clan.

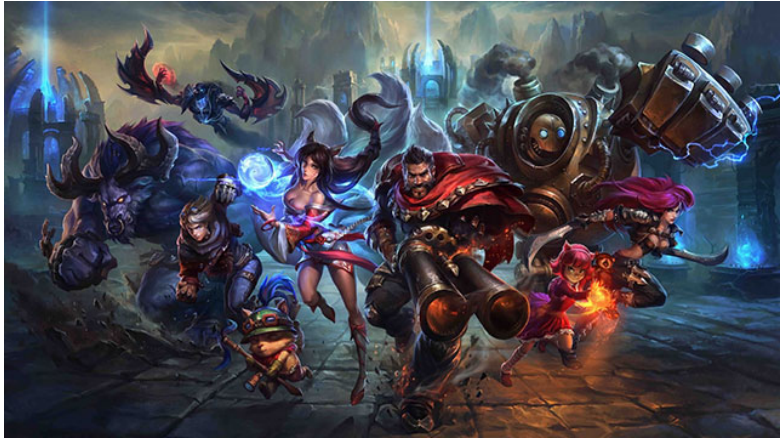

In addition, you can increase the power of each general by combining three similar generals to form a more superior version of that general, then combining three super generals to form a dark version. The upper hand of that general.

Although it is a new mode, the Truth Arena has its own unique images. Includes the background of General Arena Truth, and the typical Truth Arena backgrounds that if anyone who loves this mode will not be missed. Below is a set of Truth Arena wallpapers for computers and laptops.
