

Tell you the costumes for the Halloween costumes for the night of 31/10

Halloween - October 31 is approaching, have you got any idea about makeup to make a strong impression in this festival yet? A lovely cartoon character like princess, prince or a scary devil character to scare people?

Halloween - October 31 is approaching, have you got any idea about makeup to make a strong impression in this festival yet? A lovely cartoon character like princess, prince or a scary devil character to scare people? Take a look at some of the suggestions below and choose for yourself a unique character, outfit, and accessories that will help you stand out in this year's Halloween carnival.

Japanese Geisha-style makeup combined with a black dress will help you become more mysterious and charming on Halloween night.

Witch characters are always loved by young people and choose to dress up on Halloween night. With this option you can wear makeup or not according to your preferences, a black hat and cape and a "flying" broom that you have become an evil witch often appearing in ancient stories. or a beautiful, mysterious witch like Hermione in the famous Harry Potter movie.

Zombi - The corpse. With this type of character, you don't need to be too fussy about costumes. With only

garbage clothes, creases, a little red and makeup, you can frighten many people on Halloween night.

Mummy: A large cloth (or multi-purpose paper) wraps around you so you can unleash everyone's misery in this ghost festival.

Currently, on the market there are many other ready-made costumes with unique patterns, impressive for Halloween night, such as this bone-shaped print clothes. Buy back and "mess" with friends.

More simply, you can immediately use the clothes and add some accessories such as claws, belts with ropes, cat ears, scary masks . enough "quality" It's fine to go out.

A long black dress is enough to make you more attractive, sexy but also full of ghosts.

Black suit set, featuring a white ring and a creepy makeup face that will help you stand out during the festival.

Skull masks and skeleton skeleton horror costumes have never been fad in the Halloween seasons.

Death along with the scythe that appeared in the night certainly made many people startled.

Face makeup in the form of vampires and put on a black vest you have turned into an elegant, attractive vampire guy in the festival.

You will be a beautiful vampire and stand out with this outfit.
