Today besides the costumes that contribute to the beauty of men, a beautiful and trendy hair will create the attraction of the opposite person. The trend of hairstyle in the throne in 2017 is the hairstyles clawed, puffed, long hair, combed hair, . help you extremely stylish, trendy, age and extremely personality, style every time appeared before women. Men almost all have long faces and for you to have more suggestions for yourself, here are some of the 5 most anticipated hairstyles that will be sung in 2017 for guys with long faces, please Please consult.

## 1. Male hairstyle Popadour

Popadour hairstyle from the 18th century, this is known as the most classic male hairstyle, welcomed by many European gentlemen. With this hairstyle will help gentlemen become more stylish and elegant. Today thanks to the development and keep up with the era, this hairstyle has a lot more modern and trendy styles. Modern Popadour hairstyles are changed, upgraded to catch up and match the new men's fashion trends in the 21st century. Still retaining the characteristic of the long and puffed roof, there were more options in the hair around the head such as undercut, low fade, high fade and skin fade. Bringing a new breeze to Pomp and dynamism but also very elegant for modern gentlemen. A little bit of classic Pompadour - made modern Pompadour hair hotter than ever!

## 2. Men's hairstyle Asymmetrical Undercut

This is a trend not only for young people who like boldness. It has become a backward-looking hairstyle for men of all ages (including children). And the middle-aged men especially loved this backcut undercut. With this hairstyle, you will look strong, individual and equally romantic. Leaving original undercut hair, Pompadour or Asymmetrical Undercut has never been out of date.

Undercut is not really a hairstyle, but it is a type of hair cut close to the middle and left in the middle, inspired by the army. For this hairstyle to become more beautiful, you should use wax or gel every time you brush your hair to make it smooth and elegant.

### **3. Top Knot male hairstyle**

Top Knot is a good combination between Undercut and Man Bun, this is a perfect combination between two dusty and gentle styles, the guys who carry in them a little artist soul. With this hairstyle has a length of 20-25cm of the roof and top part like Man Bun hairstyle, but the nape and sides of the apricot are cut neatly, using fade technique. Especially those who like the highlights can shave a line between long hair and short hair. When tying your hair up if there are small and short strands of hair that do not follow the hair tie, you can use waxes to be the perfect way.

#### **4. Mohawk male hairstyle**

This can be said as a classic hairstyle for men. With Mohawk hairstyle is one of the hairstyles that will easily impress right from the first meeting, giving you a dynamic style, winding a little rebellion, comfort . This hairstyle is typical. because the bangs are clawed backwards, creating striking features, the personality gives male friends confidence when going to the street or going to a party. With this hairstyle, during the many partying 2017 hair fashion season, you will be very attracted to appear at any party. This is also the hairstyle chosen by many top stars such as David Beckham, Cristiano Ronaldo, Gareth Bale, .

## **5. Hipster hairstyle**

Hipster is a word used to refer to people who are in favor of street life with dusty, pitiful style. This hairstyle is a combination of the vintage classic of Oxford ivy league students combined with the shaping language of the digital era, creating a distinctive and disruptive character for them. Hipster hair is characterized by a mess that doesn't seem to follow any principle. A messy but still beautiful hair gives the men a hard look.

Hopefully, these 5 hairstyles will help you make the most suitable choices for your hair more elegant, stylish and most fashionable.
