There was a time when you wanted to solve the crossword crossword, the place you need to find is on a puzzle book or in a newspaper. However today thanks to the mobile application, you can play crossword right on your mobile device with many additional features.

There was a time when you wanted to solve the crossword crossword, the place you need to find is on a puzzle book or in a newspaper. However today thanks to the mobile application, you can play crossword right on your mobile device with many additional features such as checking answers, suggestions, filling in the crossword that you stuck. Here are some of the best crossword apps for crossword enthusiasts.

1. Shortyz Crosswords

If you love the crossword in newspapers, Shortyz Crosswords is definitely the application you should own. It takes the crossword published in major US publications and establishes them in digital-friendly format. The crossword of the day will automatically download when you open the application. You can even go back and download the crossword before.

2. Cryptic Crossword

Mysterious crossword game is always a very difficult game to solve. Cryptic Crossword is designed to clarify this interesting crossword format. It comes with instructions describing clues and how to deal with them. In addition, Crossword Cryptic also comes with a test feature to help you know if your answer is correct.

3. Crossword Puzzle Free

If you want an easy level puzzle, Crossword Puzzle Free is exactly what you need. The application consists of 10 one-crossword packages labeled with different difficulty levels, author names and puzzle sizes. When you answer correctly you will hear a small sound effect. Every week the app will add new packages so you always have new crossword to play every week. When stuck in a puzzle, you can press the button to automatically search for answers on the crossword help website.

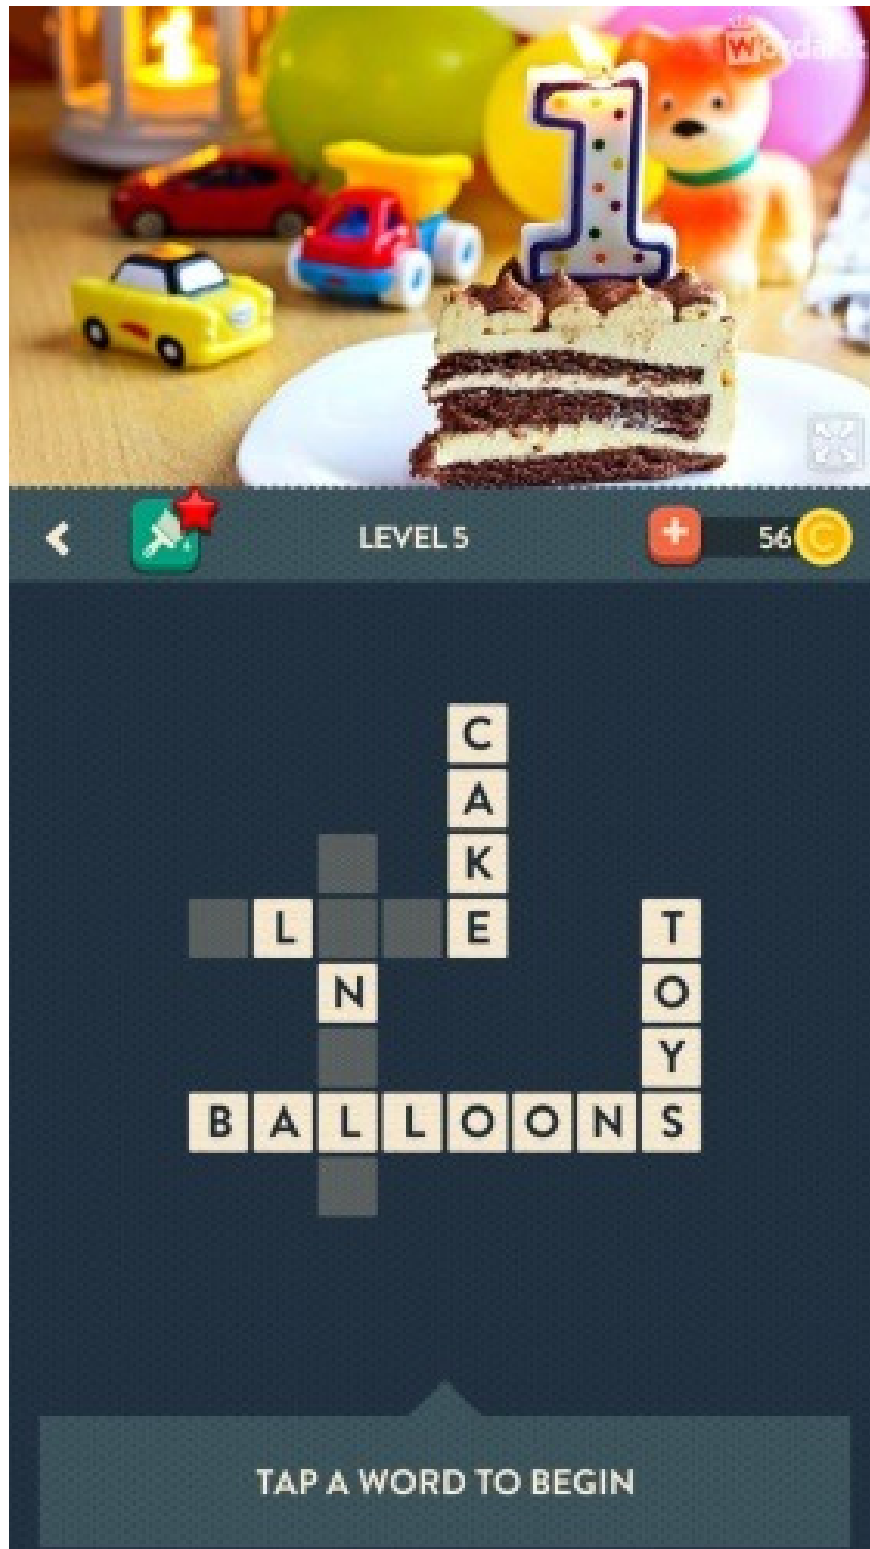

4. CodyCross

This crossword game is slightly different from the usual crossword, CodyCross designs crossword horizontally with a few vertical cells. When solving a puzzle, the letters from the answer will be copied and put in the correct position on the other puzzles. With solving each puzzle, you will make other puzzles easier to solve when some

of them have been completed.

5. Wordalot

For a more interesting crossword experience, Wordalot makes a little difference. Instead of providing a match by word, it will display the image for you. This image is a suggestion for you to solve the puzzle. If you want another experience, try Wordalot.
