

# The beautiful short hairstyles and the most beloved sisters are today

Here are the beautiful short hair styles and personality, and help 'hack' age the most favorite sisters today.

The short, dynamic, youthful and stylish hairstyles are one of the hair fashion trends that many young people love in 2019. Here are the beautiful short hairstyles, personality and help 'hack'. Your favorite age is now, you can refer and choose for yourself a beautiful hairstyle that suits your face.

## 1. Short curled hair

Short curly hair is a simple hairstyle but still ensures youthfulness and dynamism and is especially suitable for almost all accessories and set items. Therefore, this hairstyle is always present in the hair fashion trend of the year.

**Short hair curled with C-shaped** helps her face become smaller and more elegant thanks to the curled, curled tail, gently covering her face to help cover redundant lines.

**Short hair curled up** is a hairstyle suitable for women with thin, silk hair. The hairline part will be ruffled to increase the buoyancy of the hair, helping to create a balance and harmony for the hair from the feet to the top.

When you have a short hairstyle, you can dye your hair with brighter colors than the original hair color to increase the youthful and charming.

## 2. Short curly hair

Curly curly hair helps slightly rough faces become more feminine, soft and good looking while bringing modern and youthful beauty to women.

**Korean curly short wave hair** brings lightness but still very stylish for women. Big wave curls help her hair become fluffy and look thicker. In addition, with this beautiful short hairstyle, you will not have to spend a lot of time to care, after shampooing, just to dry naturally, your hair will be fine and beautiful.

**The short curly hair** makes you look luxurious but still bring the youthful look. In order to avoid being ridiculed when you leave this short hairstyle, you can leave your bangs and bangs to help you cheat effectively.

**Curly frizzy hair** is suitable for many different face types from oval to round, round. Although it only gently bends the tail, it is enough to help this type of hair cover the defects on your face.

### **3. Short hair straightened**

**Short straight hair is not** suitable for those who have a slightly oval or oval face with a forehead not too high. With this short hairstyle, you only need to change the style of the turn to have a new hairstyle. However, to keep the short straight hairstyle without roof becomes perfect and fluffy, you need to have hair with a certain thickness.

**Short-haired straight-haired** women help women become younger and cuter.
