

The Bento Adorable Home food set has a lot of hearts

adorable home bento combo, How to prepare the Bento Adorable Home food does not always help you gain a lot of heart from your spouse. If you want to collect more hearts from the Bento box, please refer to the tips in this article.

In [Adorable Home](#), you can do many things to get a heart, which is the currency for you to shop and buy more cats. Unlock more gardens or his bathroom.

The heart earned mainly from cats, the more cats you buy, the more money you will make. Because each cat will give you 480 hearts if you take good care of them, including giving them a bath, cutting their paws and stroking them.

In addition, you can earn a lot of heart from preparing Bento box food in Adorable Home for your partner. You only need to spend a small amount to prepare food and can get back 3-4 times that amount.

To prepare the Bento box to get the most hearts, please consult the below.

How to prepare Bento Adorable Home has many hearts

Step 1: If the food is out of the Bento box, click on any box in the box and click Go To Shop.

Step 2: Here you will see items such as Main Course (main dish), Side dish (appetizer), Dessert (dessert) and finally Bento Box (lunchbox).

Choose the food you want to prepare for your spouse. If you want to get a lot of heart when preparing food for your partner, you can buy expensive food with a little high quality.

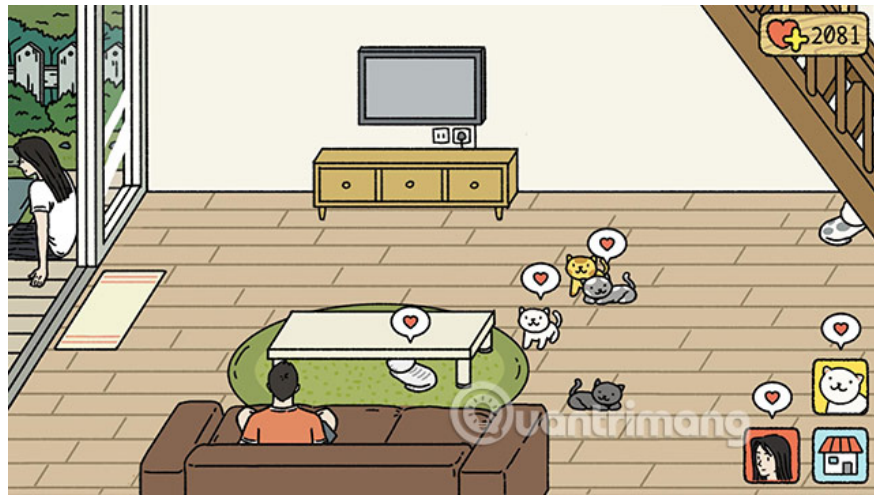

Step 3: Or you can also use a cheap food combo, but it must be a combo with not too much meat, or a combo with too many fried foods, or a combo full of vegetables . Your heart is getting less.

Step 4: When finished preparing the food in the Bento Box, you just need to click the out button in the upper left corner.

Over the next day, your spouse returns home and there will be an icon in place of the bento box.

Click on that and you will get a heart count of your spouse.

Just like that, every day when your spouse comes home don't forget to put in the food.

A tip for you to earn more hearts from your spouse. That is, buy the food with a little high price, around \$ 50 and put in Bento box. It will help you earn more hearts from your partner.

In addition, the purchase of other Bento boxes also helps increase the number of hearts.

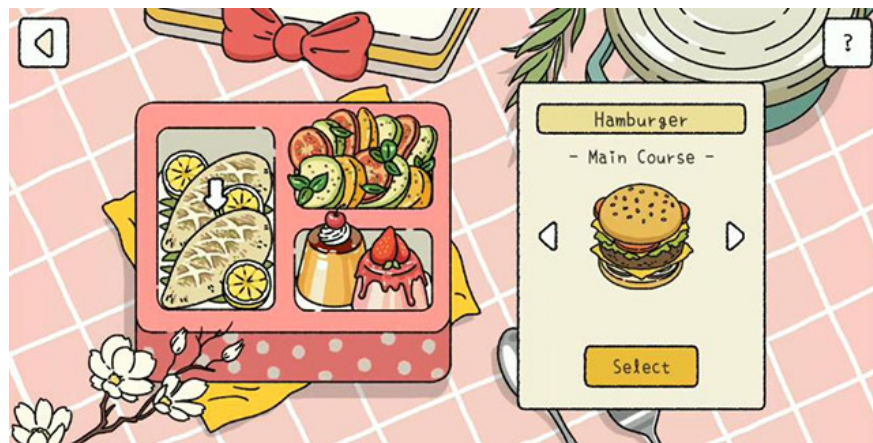

Here are some bento box sets that can earn a lot of hearts in Adorable Home.

Set pizza, tempura, napoleon strawberry cake with bento cat like box.

Set Grilled Chicken, Avocado Salad, Pudding, Pink Bento Box.

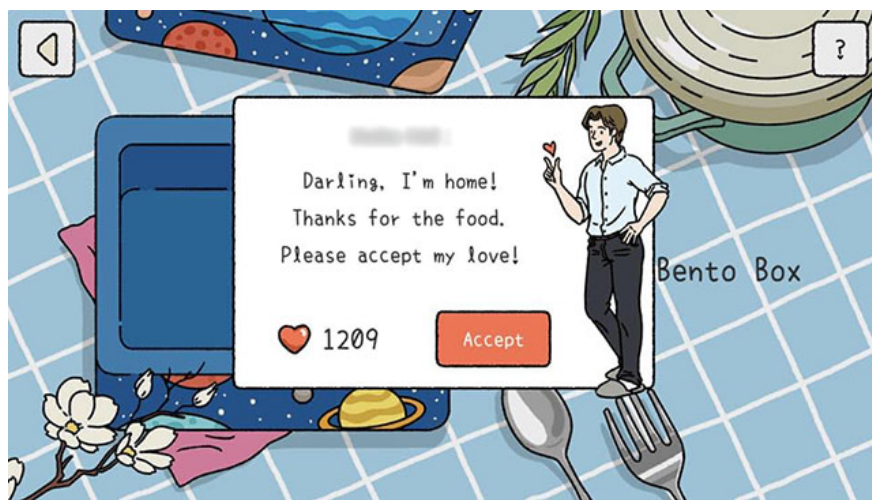

Set sushi, sashimi, wagashi, galaxy bento box.

Although not as many hearts as cats, but with this number of hearts is enough for you to buy household items and buy more cats to take care of.

Remember to change the menu daily, you can keep the main dish and change the rest.
