# ***2. Brother HL L2361DN laser printer***

## **Specifications:**

- Function: Automatic double-sided printing
- Included toner cartridge: Approximately 2600 pages
- Print quality: 2400 x 600 DPI
- Printing speed: 28 pages/minute
- Toner type: Brother TN 2385 Laser Toner
- Paper sizes: A4, Letter, A5
- Recommended print volume: 250-2500 pages/month

- Reference price: 3,490,000 VND. The Brother HL L2361DN printer offers automatic double-sided printing at a speed of 32 pages per minute, with a maximum capacity of 12,000 pages per month. It's a powerful tool for individuals and organizations that need to print a large number of documents frequently. It's recommended to use genuine Brother ink cartridges to save on printing costs and achieve high-quality prints. Brother printer ink cartridges cost between 400,000 and 500,000 VND.

In addition to the traditional USB 2.0 port, Brother printers can also connect to Apple AirPrint and Google Cloud Print 2.0 applications via smartphone, making the printing process as fast and flexible as possible.

### ***3. Brother DCP-T310 Color Inkjet Printer***

#### **Specifications:**

- Functions: Copy, Scan (Color), Single-sided printing
- Included ink cartridges: Approximately 6500 A4 pages (5% coverage)
- Print quality: 1200 x 6000 DPI
- Printing speed: 12 images/minute (Black and white) - 6 images/minute (Color)
- Ink type: BTD60 BK and BT5000 C/M/Y ink
- Paper sizes: A4, A5, A6
- Recommended print volume: 250-2000 pages/month

- Reference price: 4,090,000 VND. At a price of around 4 million VND, the Brother DCP-T310 printer offers many attractive functions such as printing, scanning, and copying documents, giving users many printing options and improving work efficiency.

The print quality of this Brother printer series reaches 1200 x 6000 DPI, ensuring even the smallest details are printed clearly, allowing you to easily observe without having to concentrate. The printing speed is also very fast, at 12 images/minute (black and white) and 6 images/minute (color), saving users maximum time. Even more impressive, the compatible BTD60 BK and BT5000 C/M/Y ink cartridges have an extremely large capacity, allowing you to comfortably use 5000-6500 sheets per cartridge.

#### ***4. Brother DCP-B7535DW WiFi Multifunction Printer***

##### **Specifications:**

- Functions: Copy, scan (color), automatic double-sided printing
- Included ink cartridge: Approximately 2600 pages
- Print quality: 2400 x 600 DPI
- Printing speed: 34-36 pages/minute
- Ink type: TNB022
- Paper sizes: A5, A4, A6, Letter
- Recommended monthly print volume: 250-2000 pages/month
- Reference price: 5,790,000 VND

The Brother DCP-B7535DW WiFi printer has all the features of a professional printer: single-sided printing, automatic double-sided printing, copying, and document scanning, making it a popular choice for many printing companies and businesses. The automatic document feeder (ADF) allows for continuous printing of up to 50 sheets without manual operation. WiFi connectivity enables remote control of the printing process without cumbersome cables.

The resolution of this Brother multifunction printer reaches 2400 x 600 DPI, ensuring incredibly clear and sharp prints, copies, and scans down to the smallest detail. Even more impressive, the actual printing speed of up to 34 pages per minute reduces waiting time.

## ***5. Brother HL L2321D Black and White Laser Printer***

### **Specifications:**

- Function: Automatic double-sided printing
- Included toner cartridge: Approximately 2600 A4 pages (5% coverage)
- Print quality: 2400 x 600 DPI
- Printing speed: 30 pages/minute
- Toner type: Brother TN 2385 Laser Toner
- Paper sizes: A4, A5
- Recommended monthly print volume: 250-2500 pages
- Reference price: 2,690,000 VND

The Brother HL-L2321D laser printer is an affordable automatic duplex printer with a large-capacity toner cartridge that can print up to 2600 pages, allowing for extended use and significant cost savings. When the toner runs out, you can easily purchase genuine cartridges at a retail price of only 500,000 VND.

This Brother printer boasts a printing speed of up to 30 pages per minute, saving you considerable waiting time. The 2400 x 600 DPI resolution delivers high-quality prints.
