

# The best animated movies to watch on Netflix in January

Netflix will release a series of great animated movies to welcome the new year 2022. Here are the most worth watching animated movies on Netflix in January 2022

## **Dota: Dragon Blood season 2**

Release date: January 6, 2022.

In January, those who are fans of the Dota game will continue to follow the story of Davion and Mirana and many other familiar generals in Dota: Dragon Blood. Even though the first movie didn't reach the level of a masterpiece like Arcane, it's still a great animated movie that Dota fans and anime fans can't miss.

## **Johnny Test season 2**

Release date: January 7, 2022.

For those of you who are fans of cartoons shown on Cartoon Network, chances are you already know Johnny Test. And in January, Johnny Test season 2 of the animated series "revived" by Netflix will officially air. This project received a lot of support from the audience because of Netflix's re-production of famous but long-forgotten old brands.

## **Riverdance: The Animated Adventure**

Release date: January 14, 2022.

This is a cartoon title that tells the story of an Irish boy and a Spanish girl in a mythical world. How will things go? Let's look forward to this coming January.

## **Pokémon Master Journeys: The Series Part 2**

Release date: January 21, 2022

At the end of January, Pokemon fans will have good news when Netflix releases Pokémon Master Journeys: The Series Part 2, adding new episodes to this legendary series.
