

The best battleship games

Surely you are no stranger to classic battleship board games: each player lined up his squad of different ships on a 10x10 board, then bombarded the enemy squares one after another, Ai if the train runs out first, that person loses.

Currently there are many websites for you to play Battleship, TipsMake.com will sum up in the article below.

1. Battleship Games

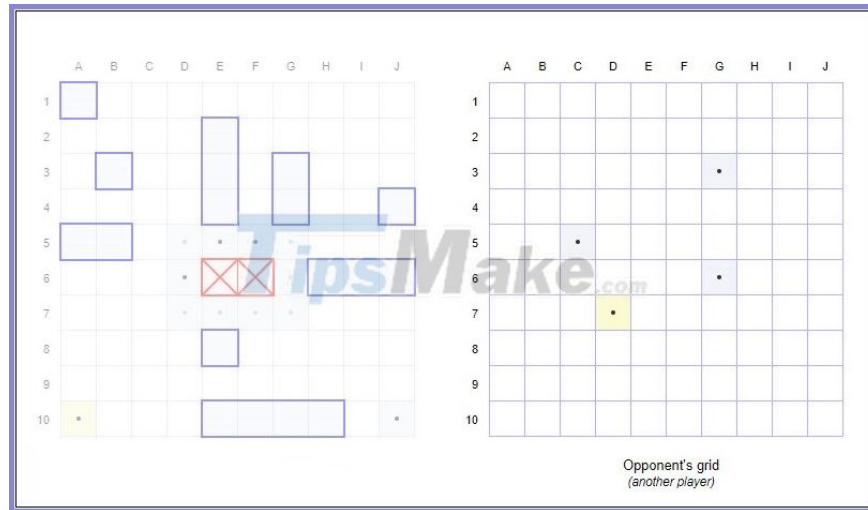

The Battleship play site offers you many variations of the classic Battleship game for free. For example, the Battleship Advanced Mission is a war at sea that is described in detail both in terms of communication and the payload of the ship. Meanwhile, Torpedo Attack is another variant. You have to guess and attack the enemy fleet with torpedoes.

The games work based on Adobe Flash, so you can still play until the web browser stops supporting Flash.

The next games listed by Thuthuatphanmem.vn will not be Flash-based so they will continue to work in the future. Let's explore!
