Nintendo Switch is a game console loved by many young people. Whether you're a newbie or a seasoned Switch user, you probably still need to refer to the list of excellent games below. Check out the best Nintendo Switch games!

#15 The Outer Worlds

It took a while for this game to find its way to the Nintendo Switch, and The Outer World has finally arrived. This is a single player sci-fi game. It places you in the context of a power struggle in a virtual world occupied by astronauts. The gameplay gives the player distinct choices and impacts the story.

#14 Stardew Valley

It is not natural that Stardew Valley is famous on other gaming platforms, including PC. You will quickly be caught up in the peaceful world of this game. Basically, Stardew Valley is like a farming simulator, you can farm anywhere on your Switch. And any amount of time you get a great experience with farming, mining, livestock, fishing, relationship building and other super relaxing activities.

#13 Dragon Ball FighterZ

No need to introduce, you also know that FighterZ is made based on the famous manga series 7 Dragon Balls. And it's even better when you're also a fan of this series. FighterZ offers impeccable gameplay and graphic style. You will be participating in fighting matches with 3 characters in your team. The fight is extremely fast, focusing on performing combos and knowing when to swap characters to capture the opponent's cards.

#12 Octopath Traveler

Octopath Traveler is basically an RPG inspired by old fashioned graphics. What this game really excels at is its scale. While most other role-playing games focus on a single protagonist, Octopath Traveler tells the story of 8 heroes, and each story has its own charm. Especially the art style, combat as well as the turn-based system work together effectively, true to the spirit of an old-fashioned JRPG.

#11 Hollow Knight

Hollow Knight is an epic adventure with a perfectly designed environment. Some people consider Hollow Knight to be 'Dark Souls for newbies'. But it is really a Dark Souls with beautiful hand-drawn design and enchanting colors, the music is also the factor that keeps you with this game.

You will discover a tunnel with underground areas, each different and filled with strange creatures. The more you defeat, the more your character gains new abilities, grows in strength, and continues to uncover the secrets of the Hollow Knight.

#10 The Legend of Zelda: Breath of the Wild

This is one of the best games in the 'The Legend of Zelda' series of all time. While the name Zelda is already enough to attract gamers, Breath of the Wild does more by reinventing the classic formula of the series and bringing in the adventures of Link and the modern era. The land of Hyrule has opened up, allowing you the freedom to explore and complete quests as you please. Weapons and items have a temporary lifespan, which means you'll have to find and craft items throughout the game.

#9 The Elder Scrolls V: Skyrim

The Elder Scrolls V: Skyrim has long since been released on several platforms and it's always been around. And the interesting difference came when Skyrim was available on Nintendo Switch. Replaying old games on a handheld system feels much fresher. Skyrim's magnificent open world will immerse you in it for hundreds of hours.

#8 Undertale

Not a 'crazy' game but not without fun. Undertale's visuals feature simple illustrations, minimalist character models, and rudimentary combat systems. You will start your walk by talking with strange monsters in the world, from here you feel this game has its own charm. And in the end what you get is an entertainment experience like no other.

#7 Tetris 99

Tetris 99 is like a new version of the legendary puzzle game. It's a battle royale game, 99 players play together and eliminate each other until only the last person is left. Players can 'break' each other by learning and breaking the opponent's play, in order to make it difficult for them. Tetris 99 makes for intense games thanks to its fast-paced gameplay, which increases as the player moves towards #1. The best advantage is that Tetris 99 is offered for free to all Nintendo subscribers. Online.

#6 Moonlighter

Moonlight – an adventure where you spend the day preparing the necessary items, and spend the night fighting in the dungeons with the aim of freeing the town from the forces of darkness. If you are looking for the best Pixel graphics game, it must be Moonlighter. Although the light-dark loop may seem boring, rest assured, it is an addictive thing in this game and you will have to spend a lot of time there.

#5 Pokémon Sword/Shield

This is a memorable Pokemon adventure with a story that provides enough details to keep you guessing, immersed in Pokemon lore. The game features a lovely cast of characters, and meticulous attention to detail in the Galar region both visually and in dialogue.

#4 Super Smash Bros. Ultimate

Super Smash Bros. Ultimate brings more characters and levels than ever before. The cosmic matching game has every character ever featured in the series' 20-year history and over 100 levels as soon as you start. Super Smash Bros. Ultimate is a fighting game with a fast pace, but also easy for less experienced players to enjoy. The effects are meticulously designed, the fighter's movements are very natural as well as the beautiful KO.

#3 Doom

Doom, with its 2016 reboot, wowed us with its fast-paced action, precise shooting mechanics, and engaging level design. In campaign mode, Doom is a chaotic adventure filled with action on the fiery terrain of Mars with bloodthirsty enemies. On Nintendo Switch, the game retains its essence and becomes one of the best shooters.

#2 Fire Emblem: Three Houses

The latest installment in the Fire Emblem series, where you play as a student of one of three prestigious families. Along with that, participate in tactical, turn-based battles on a continent on the brink of war. The future of the land of Fódlan depends on the decisions you make. That's enough to understand that your choices will create a new direction, make sense for the plot and even more important than the combat mechanism.

#1 Rocket League

It is difficult for anyone to rely on the success of Rocket League. At first glance, 'soccer – racing car' may seem unconnected, and could be a developer's risk. However, Rocket League was an instant hit when it launched in 2015. Although you have to be connected to Wi-Fi to play, that makes it accessible to a lot of other players around the world. It's not hard to find a PvP battle in Rocket League. Moreover, the Switch version offers cool Nintendo-style racing cars and decorations!
