3 Steps to Free Online Radio

At the top of this list of online karaoke websites is iKara. The website has an Online Karaoke singing platform with countless songs that can be easily sung on computer devices and phones. Not only web-based support, iKara also provides an application version for 3 operating systems, Android, iOS and Windows Phone, so you

can access Karaoke songs more conveniently to satisfy your "voice training" whenever I like.

4. KaraFun

Singing KaraFun's free online Karaoke online is also a great suggestion you should not miss, especially if you are a fan of foreign songs, this is really the site for you. KaraFun has a simple but pretty interface, where you can search for popular songs on the website, save preferences, create karaoke lists for singers. The sound quality of karaoke on the website is also a plus for KaraFun.

However, the biggest disadvantage of KaraFun is that the website does not allow you to sing for free with all songs, but is limited to a certain number of songs. Therefore, if you want more songs, you need to pay a monthly fee.
