

The cheat codes for Grand Theft Auto IV: Episodes from Liberty City

Grand Theft Auto IV: Episodes from Liberty City was released in 2008 simultaneously with the DLC (additional content) version of The Ballad of Gay Tony. This article will synthesize some cheat codes to get in-game items.

"Grand Theft Auto IV: Episodes from Liberty City" was released in 2008 simultaneously with the DLC version (additional content) of "The Ballad of Gay Tony". Grand Theft Auto IV: Episodes from Liberty City consists of two extensions (The Lost and Damned and The Ballad of Gay Tony) and does not require the original version.

Differences between game versions

The content of "The Ballad of Gay Tony" is similar to the content of the discs game "Episodes of Liberty City" and the multi-player features are compatible with all versions. Due to the map update of Liberty City, players of the "Episodes of Liberty City" version of "The Lost and the Damned" cannot participate in multiplayer games with older DLC users. "Grand Theft Auto IV" original music is not available in "Episodes from Liberty City."

GTA cheat codes

"Grand Theft Auto IV: Episodes from Liberty City" game cheat codes are entered into the game as a mobile phone number. Players can re-activate the pre-cheat codes via the cheat menu on mobile phones at any time. Many cheat codes in this version are similar to cheat codes in the original version "Grand Theft Auto IV" ("The Lost and The Damned" and "The Ballad of Gay Tony").

Cheat code

content
