The 2018 World Cup is going on making this summer 'hot' than ever, on this occasion let's take a look at the classic football games that were associated with the childhood of soccer lovers. .

1. Nekketsu Koko Dodgeball Bu: Soccer Hen

This is a familiar name, almost everyone who loves football also knows. Nekketsu Koko Dodgeball Bu: Soccer Hen was born on May 18, 1990 on Nintendo's NES system, which is part of the Kunio-kun character series. As soon as it was released, this game immediately received the love of people because of fun and interesting gameplay.

In the game, there are 2 main parts: tournament and singles. In the tournament section, the player controls the Nekketsu school football team, defeating the teams of other schools in the middle school tournament.

The single match in the game is quite similar to the modern matches in PES or Fifa. But surely anyone who ever played Nekketsu Koko Dodgeball Bu: Soccer Hen could not forget the striking shots like shots of falling yellow leaves, kicking bananas or kicking the dragon's hose and funny expressions of players.

2. Captain Tsubasa

This soccer game is based on the classic manga by artist Takahashi Y?ichi. With the "skill battle" on the film-ball field, Captain Tsubasa quickly gained the love of many people.

Captain Tsubasa has many different game parts, the latest part has been released on a mobile platform called Captain Tsubasa: Dream Team. If you are interested, you can visit the link below to download and experience.

3. Inazuma Eleven

This is one of the most famous games in the genre football game genre. Inazuma Eleven was first released on August 22, 2008 in Japan. So far, there have been three versions of the game on the DS and three versions of the Wii system released. Looking ahead, the fourth part called Inazuma Eleven: Ares will also be released.

In the game, the player will control Endo characters and friends to find and train new players and participate in the same rhythm-based matches as an RPG game.

In matches, players will use their individual skills to decide who wins in the encounter phase.
