

# The first thing seen in this photo will reveal your personality traits!

Let's try to observe what the first thing you see in the 5 pictures below! That will reveal interesting characteristics about your personality!

**Let's try to observe what the first thing you see in the 5 pictures below! That will reveal interesting characteristics about your personality!**

1. The following 12 optical illusion photos will make you dazzle
2. Choosing a photo that makes you feel the most annoying will reveal exactly who you are!
3. What type of bag do you usually wear? That will reveal the personality inside you

Currently there are many surveys based on optical illusions made. Most Internet users find it interesting and psychologists also use similar tests for their patients. However, one thing is very important that you **should only pay attention to the first image seen** because you will certainly see other images of the same image after looking back.

We recommend that you try one of the surveys below but **don't place too much of the problem on the results** . Because it is not so important, because this article does not draw a comprehensive " *portrait* " of you but only provides a few more information about your personality traits. **See what the first thing you see in these photos!**

## 1. Lion or bird?

The result is:

1. **A lion** : You are the one who always considers everything by watching from their origin and not afraid to face the horrors of how horrible it is. **You are a strong and brave person!**
2. **A strange bird** : Sometimes you often act thoughtlessly, even in some cases it becomes irresponsible. However, you are **a creative person** , always wanting to use your ability and dedication to change the world to become better.

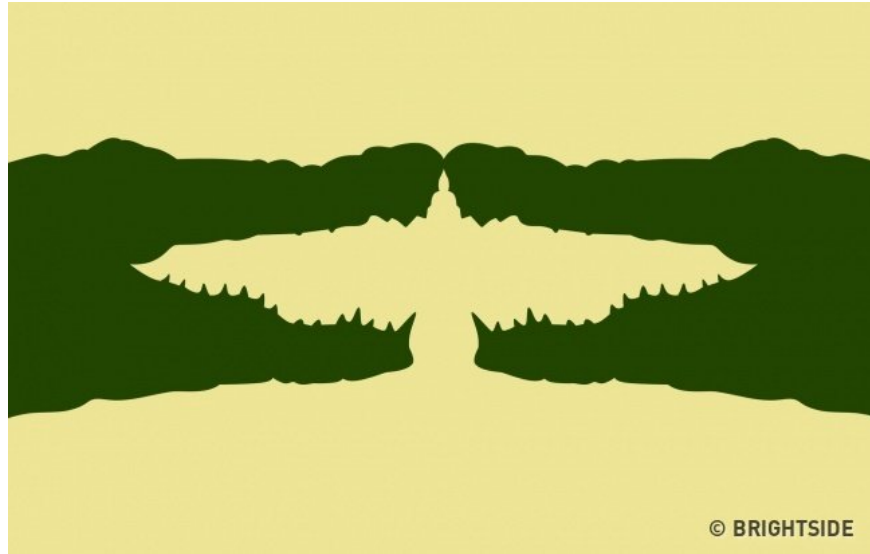

## 2. The rabbit or the duck?

The result is:

1. **A duck** : It seems that you are "*human of emotions* ", erratic sun and rain and emotions are easily affected. You often change your mood quickly and make a sudden decision.
2. **A rabbit** : You like to consider all the possible consequences in each action. Perhaps logic is one of the top things in your life, but this does not mean you are a cold and emotionless person.

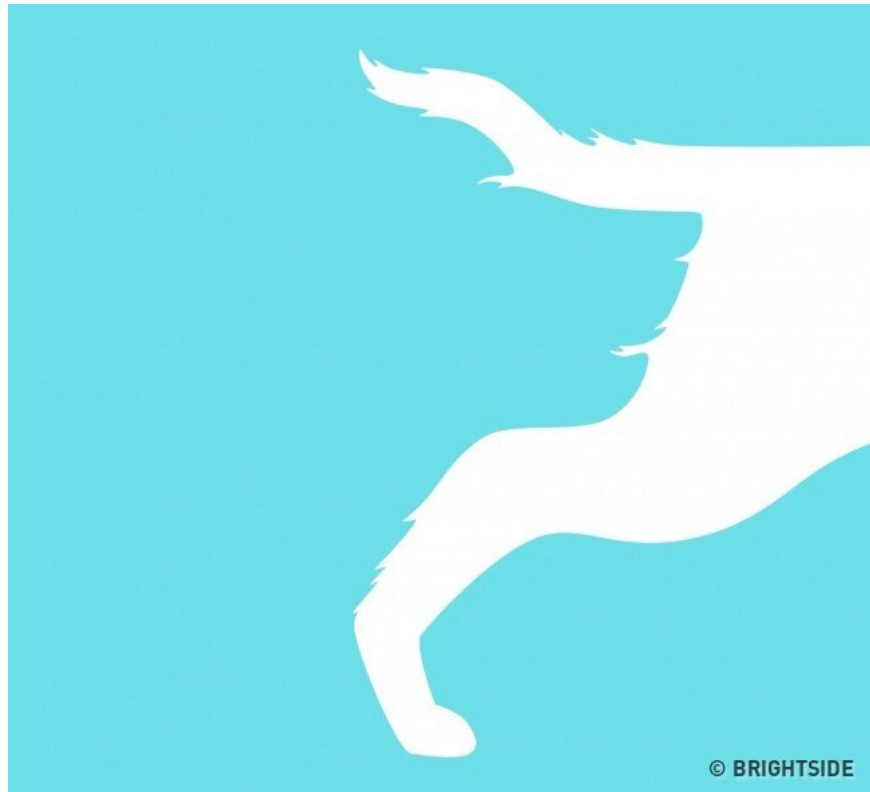

### 3. Two crocodiles or a bird?

The result is:

1. **Two crocodiles** : It looks like you always try to keep every situation under control and can change everything. However, you are not a " *brutal* " crocodile that has the qualities of a thoughtful manager, director or leader.
2. **A bird** : Perhaps you are not an important person to endure other people or bad things to succeed. This does not mean that you do not have righteous ideas but often choose to yield and reconcile. You can say you are a straightforward and very sociable person.

#### **4. A dog's legs and tail or snout?**

The result is:

1. **Muzzle of a dog** : You often choose to analyze images from left to right. This does not mean you are a "*normal person like everyone else* " but it emphasizes logical thinking, as well as natural instincts when analyzing reality and you can rotate to see the second image when looking right side of the picture.
2. **A dog's legs and tails**: If you analyze the picture from right to left or notice the ambiguity of the image immediately, you may be the one who likes your first decisions. This does not mean that you have no logical thinking, just that you like to apply creative approaches when trying to solve a problem.

## 5. Wolverine or 2 Batman guys?

The result is:

1. **Wolverine** : You must be a Marvel *fan* . Nothing can make you feel better than the charm of Tony Stark, the great endurance of Captain America or the appearance of Wolverine.
2. **Two guys Batman** : Most likely you are a fan of DC with the dark streets of Gotham City and superhuman evildoers. And of course, you love Dark Knight, right?
