Why can't I change the Eternal Ember code?

Maybe the code you used has expired, this is a pretty common reason if you can't change the code. In addition, you can enter the wrong code, if you enter the wrong code, you will not be able to redeem the reward. Usually the code will be specific words and you can easily enter to change the code. However, the code coming from the event may be random characters.

Game code helps you get more rewards and currency, so it will help you get used to the game faster and not get bored when you first enter the game.
