

The latest poster of Oppo Reno Ace 2 reveals all the design and specifications

A new poster of Oppo Reno Ace 2 has revealed the exterior design as well as the configuration of the Oppo flagship model.

Oppo Vice President Brian Shen has officially confirmed that he will launch the Oppo Reno Ace 2 in his hometown of China on April 13.

Recently, a leaked poster image has given us more insight into the design of the upcoming flagship. In addition, this poster also confirmed that Oppo Reno Ace 2 will be equipped with the latest Qualcomm Snapdragon 865 processor.

Oppo Reno Ace 2 will be equipped with a 6.5-inch AMOLED screen with Full HD + 2400x1080p screen resolution and a high 20: 9 aspect ratio, along with a "perforated" front camera in the upper left corner.

Regarding the power of the machine, Oppo Reno Ace 2 is equipped with Qualcomm Snapdragon 865 processor along with 2 options of 8GB / 128GB RAM or 12GB / 256GB RAM memory. The rear camera cluster will include a 48 MP main camera along with an 8 MP ultra wide angle camera, 2 MP macro camera and 2MP depth sensor.

Oppo Reno Ace 2 runs the ColorOS 7 platform with the latest Android 10 operating system. This model will be equipped with a 4.00 mAh battery with 65W fast charging capability. The good news is that Oppo will also provide this 65W charger in the accessory kit that comes with the device. In addition, Oppo also plans to launch a 40W AirVOOC wireless charger with Oppo Reno Ace 2 and will be sold separately.
