Currently, there are no expired codes for the game.

How to change the Reawakened code

Unlike other Roblox games, redeeming the Reawakened code is a bit difficult. However, before you can do that, you must join the Vayron Studios community on Roblox. Then, follow the steps below to receive your free reward:

1. Launch **Reawakened on Roblox** .
2. Click the gear icon in the upper left corner.
3. Select the three-star option next to the music section.
4. Enter a valid code and press **Enter** .

Why can't I change the Reawakened code?

The main reason for this is:

1. The code has expired. You can only wait for a new code or switch to a different one.
2. Incorrect code characters entered. In this case, please double-check the spelling of the code you just entered. Remember that codes are case-sensitive.
