

# The list of 10 cities can be dangerous for tourists

Please join us to list 10 cities that may be dangerous for tourists in the article below!

1. Chongqing vertical city of China - a tourist goes no return
2. Research proves: Traveling makes you smarter and healthier
3. 23 unique hotels "just look and want to stay right away"

**The loss of a purse or food poisoning** is rare but it can still happen in any city, so tourists need to be particularly careful.

In the article Top 20 most dangerous countries in the world not for tourists, we mentioned the dangerous place that tourists should stay away from. Today, we will continue to list for everyone **10 famous cities that could endanger tourists** . Invite you to consult!

## 1. Barcelona, ??Spain

**Barcelona** is known as the capital of professional pickpockets. Here, there are thousands of pickpockets with skill. Behind Barcelona are Rome, Prague and Paris.

Most pickpocket thieves often operate on the city's main street: **La Rambla** . In particular, they can steal your money or furniture anywhere, on the beach, in public transport, even in the hotel room. Be careful!

## 2. Cairo, Egypt

**Cairo** is a legendary city but there is a huge contrast to Egyptian resorts:

First, it is one of the most dangerous cities in the world **for women** .

Secondly, the complex political situation here is very dangerous and often **armed conflicts** occur.

Finally, hundreds of people here are willing to **cheat your wallet** . For example, a popular hoax is that camel leaseers will charge you \$ 5 when you ride on a camel's back, but then, when you want to leave that camel's back, you will have to pay \$ 50. .

### **3. Pattaya, Thailand**

Food in Pattaya can become a " *Russian roulette* ", because you can't know exactly when and how you will get food poisoning.

This is a common occurrence in Pattaya, a city not very clean but still very popular by the majority of visitors. Seafood is often the main cause **of food poisoning**, but sometimes there are cases of poisoning caused by meat and salad.

Local people often eat foods with a lot of salt, which kills most harmful bacteria. However, visitors who come here often don't eat like that, which may be the reason why they are prone to food poisoning. To stay safe, eat and drink with the locals.

## 4. Johannesburg, South Africa

**South Africa** is a country with great natural scenery, this place is close to the intersection of two oceans. However, there is a problem here: **the racist racism just ended 30 years ago** , when white people took power and discriminated against colored people.

Today, the times have changed: **white people here are harassed, especially in Johannesburg** . If you are white, you should travel by car or taxi ( *remember you need a white taxi* ). The best case may be people will stare at you in the street. Because here, very few people walk.

## 5. Naples, Italy

The Italians often say that **Naples** is a city of Italian identity and many people think that pizza was invented in Naples.

However, this city is quite dangerous with a lot of cheeky pickpocket than handbag robbery. There are many people walking on scooter cars suddenly appearing and snatching up your handbag or camera. Even *the local "merchants"* here are quite cunning, they do the same as voluntarily wash your car and then ask for wages. Moreover, Naples is a lot of waste.

1. 15 famous tourist destinations are far different than imagined

## 6. Tijuana, Mexico

The city of Tijuana is located on the border of the US and Mexico. It is the perfect place for Americans who want to experience weekends like Mexicans.

With such a special location, not only visitors to Tijuana. Numerous illegal transgressors ( *mostly criminals fleeing from the US* ) and many merchants banned watching *Tijuana* as an ideal place to conduct transactions.

## 7. Mumbai, India

Any visitor to Mumbai is easily surrounded by beggars who regard them as " *mobile wallets* ". Even more, many of them pretend to be yogis or " *enlightened beings* " for the purpose of deception and theft.

If you pay close attention to current news, you will be no stranger to the number of attacks on women in India, and visitors are no exception. In addition, the weather here is often quite hot with air pollution - perfect conditions for some diseases or food metamorphosis causing poisoning.

## 8. Rio de Janeiro, Brazil

**Santa Teresa** , one of the city's central specialties, is quite dangerous even though this place does not look so. Here, you should not reveal your phone or camera if you don't want to be attacked unexpectedly. Besides, many local people on the street often hide knives or other kinds of weapons on people.

In particular, you should not go out at night in Rio and do not go to **favelas** ( *famous Brazilian slums* ) without a trusted guide.

## 9. Paris, France

Surely you will be surprised to see that Paris is also on this list, right? In fact, Paris also has many pickpockets, beggars and street vendors who are always trying to follow to sell items you don't really need at an exorbitant price. Sincere advice is not to show concern and ignore them.

## 10. Dubai, UAE

Although Dubai is considered a richer city with a Western lifestyle than other Muslim cities, you should still pay attention to the rules of dress if you are a woman.

In order to avoid stare or even sexual assault ( *sex outside marriage is taboo against Islam, Muslim men will target foreign women as a "way of being".* " ), wear a costume that covers your legs and shoulders. Do not wear clothes or have any erotic action. Fortunately, you can relax while staying in the hotel - where you can be

absolutely safe.
