

# The list of champions will be present in League of Legends Mobile

This is a list of champions that will appear at the time of League of Legends debut, most of them are familiar to PC gamers.

League of Legends has finally brought good news to mobile gamers and consoles when Riot Games announced that League of Legends: Speed ??Battle will be released in the first quarter of 2020.

And of course, the number of champions appearing in LOL Mobile will not have the full 145 champions currently available on the PC League version. But currently there are a number of champions that have been confirmed to appear in League of Legends.

Although Riot has not revealed the specific number, it is certain that the characters in this game will make it easier for gamers to access the meta. Here are the generals that will appear in LOL Speed ??War.

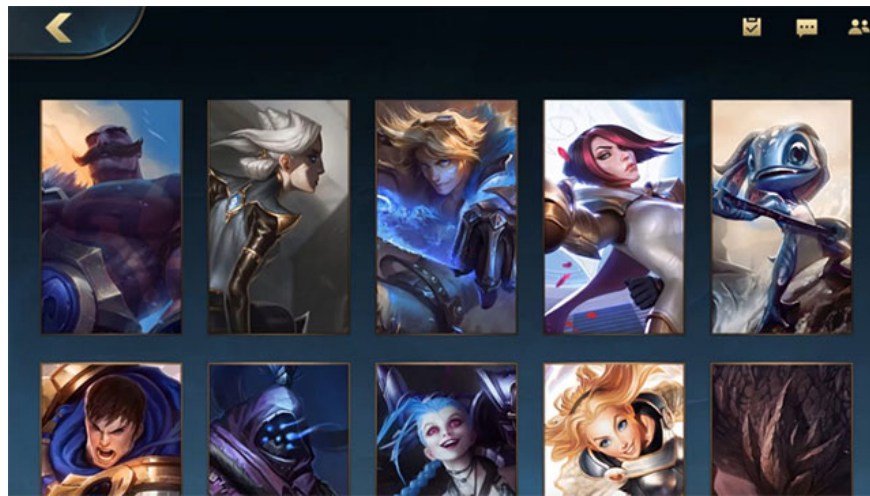

1. Rank strong generals according to the stage of the Truth Arena 9.20
2. Collection of 50+ Truth Arena wallpapers for computers and laptops
3. Collection of Draven wallpapers for computers and laptops
