

# The most unique images on the plane that passengers have ever taken: Bet you have not seen more than half!

In general, there are things that are hard to understand.

Of course, we all expect a peaceful and convenient flight from check-in to landing, however, sometimes strange things happen that are unexpected. Brightside has compiled a series of the most unique moments that passengers have ever shared on the Internet, most of which make viewers enjoy because of the interesting, quirky, and not hurt people. What is the witness?

**Have you ever seen an airplane full of horses?**

**Hmm . Perhaps our flight will be delayed for quite a while now**

But how did this plane get out like this? A rain of mud?

---

**'I'm on a 13-hour long-haul flight from Los Angeles to Shanghai .'**

This is a sad picture.

---

**This pilot was cleaning the glass himself before taking off**

Everything will come.

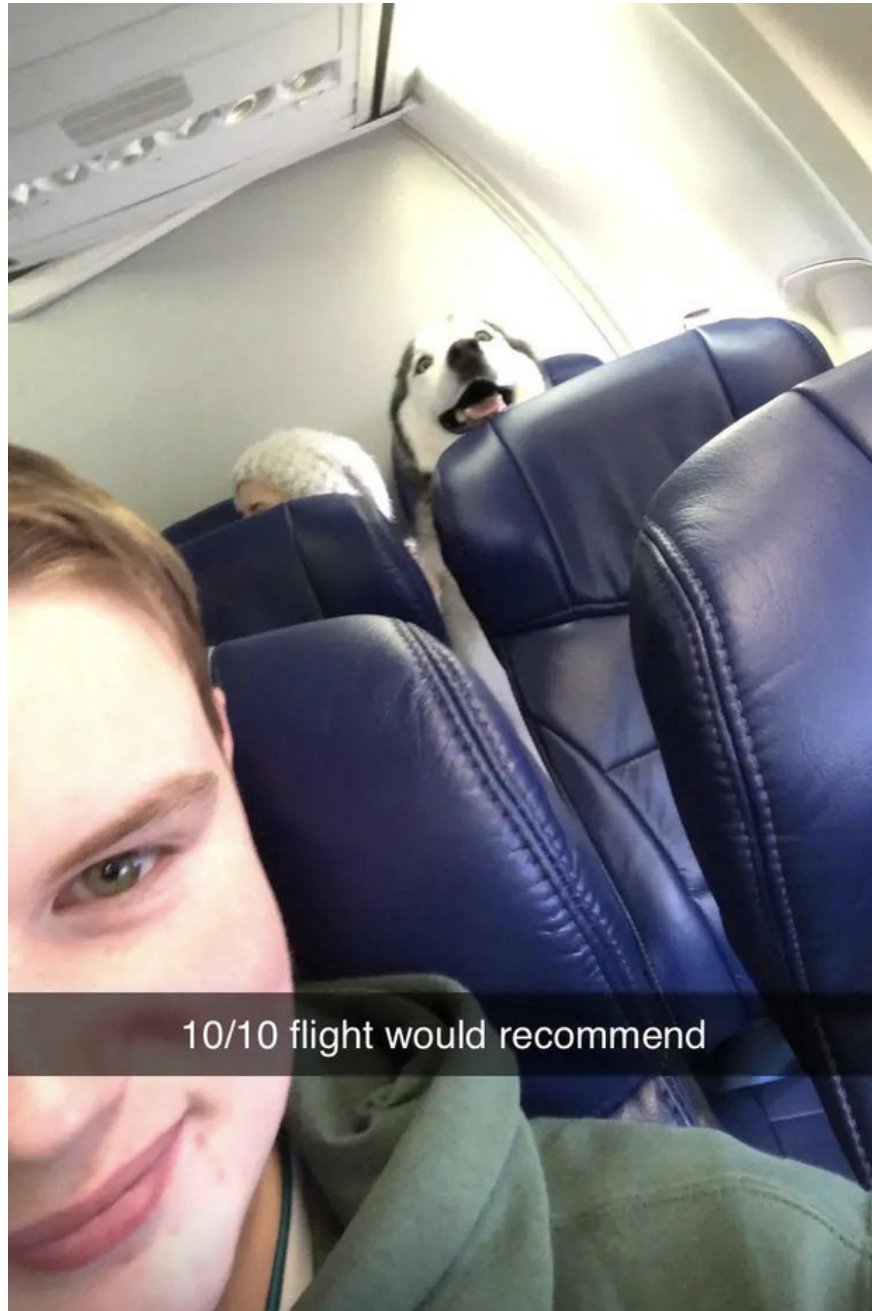

---

**Not an art exhibition or sophisticated construction, the image you see below is inside the cargo compartment of the Boeing 747**

---

**Hi, hello there**

10/10 flight would recommend

The guest that everyone wants to meet.

---

**When all airport flights are canceled at the same time**

This is a sad picture part 2.

---

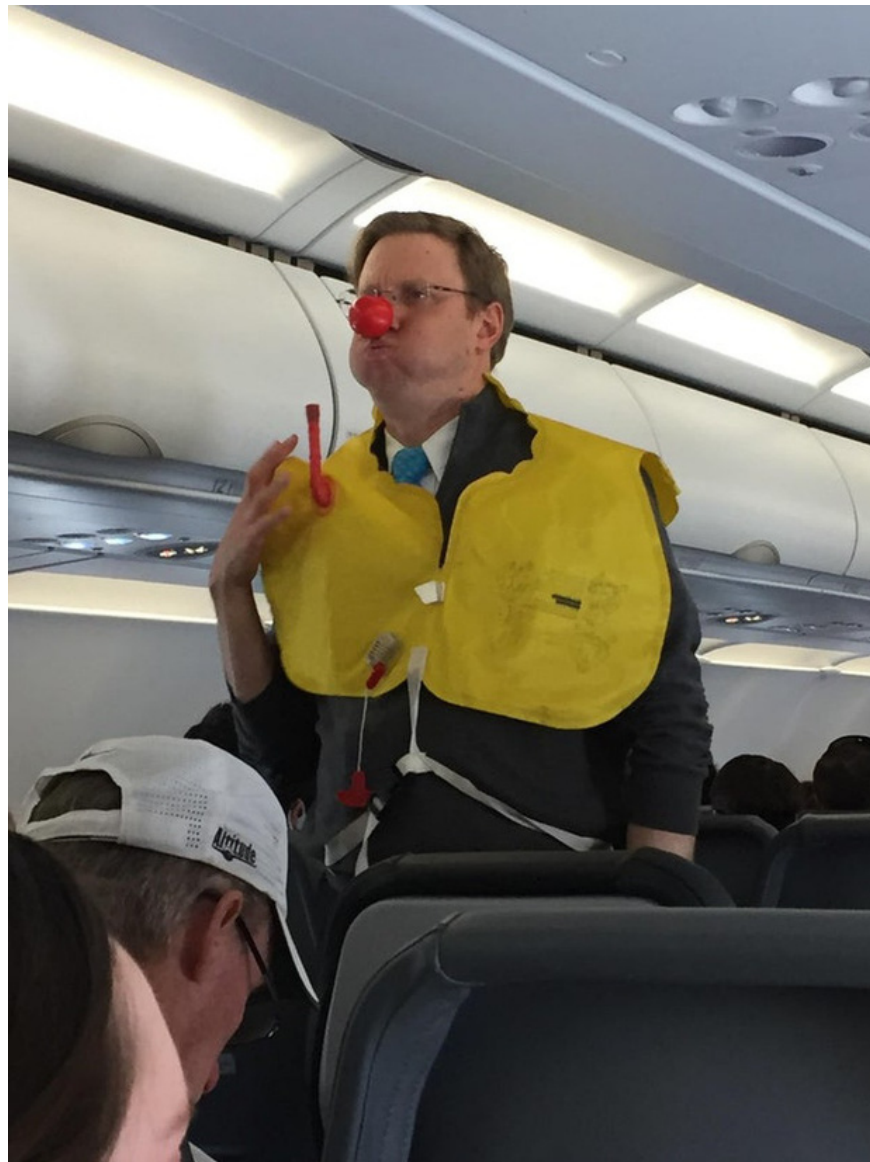

**OK, this woman's luggage will never get lost**

10 points for the quality.

---

**He tried hard to make his work more fun**

But it doesn't seem very effective .

---

**"I booked an urgent ticket to return home and was the only non-animal guest on this flight"**

Offline mascot basketball or something?
