

The mysteries in video games seem to be buried forever

Here are the secrets in video games that are hidden by game makers that gamers have never been to.

Here are the secrets in video games that are hidden by game makers that gamers have never been to.

Batman: Arkham Asylum

From the very beginning, inside the Batman: Arkham Asylum game hides an Easter egg. Perhaps this secret will never be discovered if the manufacturer did not disclose. A secret room is hidden behind a wall in Warden's Office. This room contains information about a sequel to the game, Batman: Arkham City.

This secret is maintained by the developer in Arkham City with a secret Easter egg containing information about the next game Arkham Knight.

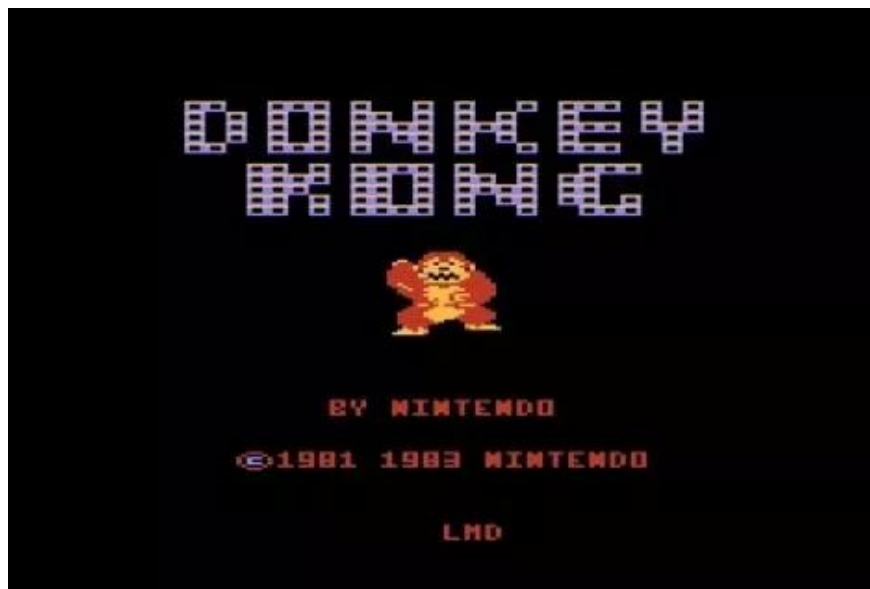

Legend of Zelda: A Link to the Past

Nintendo Power Magazine held a small competition in the 1990s, with the prize of the winner's name being included in a later Nintendo game. Chris Houlihan was the winner of that contest and his name was included in the Legend of Zelda: A Link to the Past game on Super Nintendo. Specifically, the name Chris Houlihan was given to a room containing 45 green rupees in the game.

But it was not until 2020, when testing the game's code, that egg hunters discovered this interesting secret.

Donkey Kong - Secrets about the inscription LMD

Landon Dyer hid his signature in the Atari 400 Donkey Kong and it was only 26 years after the game was released that the secret was discovered. The way to display Dyer's signature is quite complicated. Players need to play a new game and score 37, xxx 73, xxx or 77, xxx. Next, the player must destroy all their lives, finishing the last one by jumping down. After that, the player must adjust the difficulty of the game to 4 and wait for the first game screen to appear again. At that time, LMD signature will appear on the screen.

Birthday greetings in Halo 3

A programming engineer put a birthday wish for his wife into Halo 3. But it wasn't until 7 years later that the secret became known when a YouTube user named Lord Zedd posted a secret about This Easter egg is online. However, the words Happy Birthday only appears when you set the date of the Xbox 360 on December 25, then perform solo tasks alone and press the control buttons on both sides.

The secret in Resident Evil 4

In chapters 5-4 of Resident Evil 4, if the player uses a sniper rifle, a man wearing a blue jacket mimicking zombies will appear on the island. This small secret was revealed by Youtuber named SR212787 after 12 years from the day Resident Evil 4 was born.
