Introduction to Anime Auto Chess and game code

Instructions on how to enter Anime Auto Chess codes

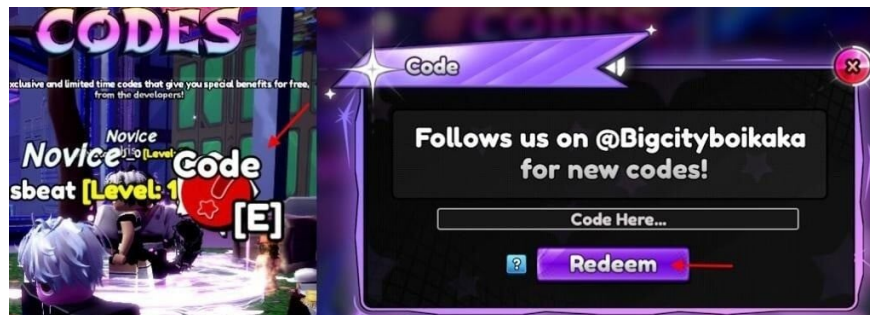

Step 1: Launch and enter the Anime Auto Chess game on **Roblox** .

If you are a new player, please complete the mandatory tutorial to unlock all game features, including the code redemption function.

Step 2: Find the NPC character named **Codes** in the lobby of the main lobby area. They are usually located to the right of the **Night Market** area .

Step 3: Stand close to the NPC and press the E key on your keyboard (or the Interact button on your phone screen) to open the code entry interface.

Step 4: Enter the correct code into the blank field and press the **Redeem** button to receive your gift.

How to get more new Anime Auto Chess codes

Join the group on Facebook

Like any game, Anime Auto Chess has its own community of players, and Facebook discussion groups are a staple. There, besides getting updates on new gift codes, you can make friends and interact with other players to exchange gaming experiences.

Join the game's Discord server.

Anime Auto Chess, a game from publisher RealBigCityBois on the Roblox platform, has created its own player channel on Discord. Remember to visit the `#codes` channel in the game's Discord server to get the latest game codes.

Follow the news pages.

Game information websites are always a great place to find accurate and complete lists of Anime Auto Chess codes for players. For example, at GEARVN, we always provide the latest game codes for gamers.
