*You see the man's face*

© brightside

If you see the image of **the face of a man** first, surely you are an art lover and creative, your life must be endless adventures. You want something new every day, maybe even a new love. The pessimistic attitude in life is definitely not about you, on the contrary, you are always full and even full of optimism. You can always make everything normal around you interesting.

**Temperament:** You have such a vibrant personality that it energizes everyone around you.

**Relationship:** Maybe you are thinking that you are not really ready for a serious relationship, but be assured that one day you will meet a very special person who makes you forget that you are not ready.

*You see the woman's face*

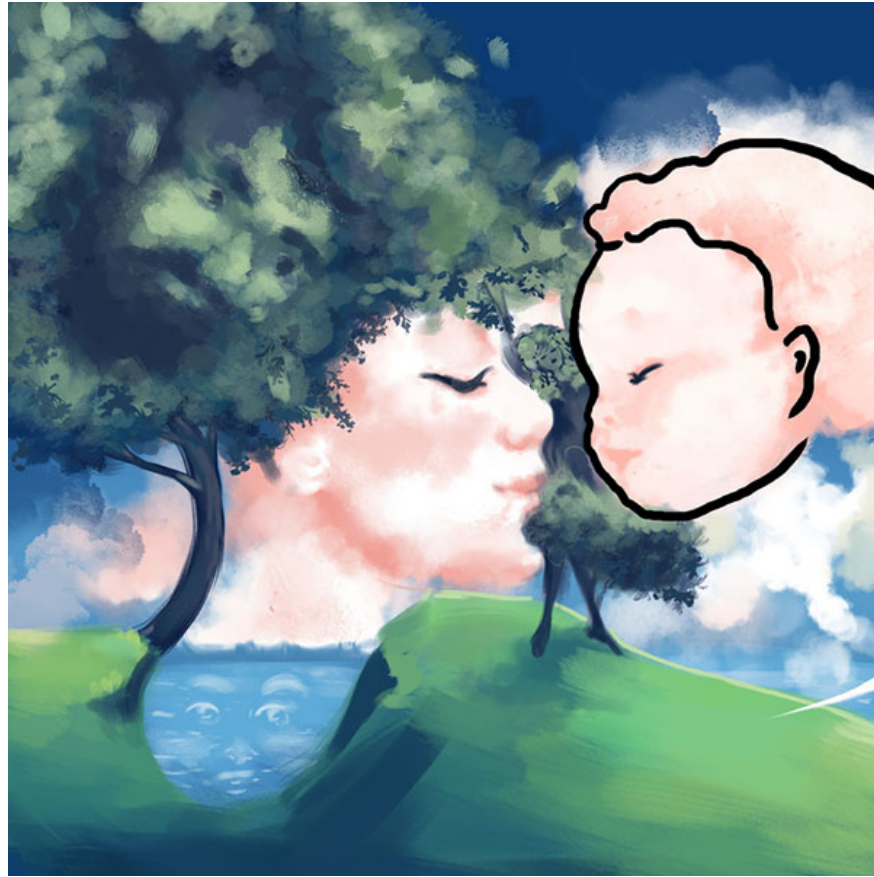

© brightside

If you see the image **of a woman's** face first, full of people you are kind. You cherish and cherish motherhood. Your mind is always on your important people and you like to take care of them. You are ready to help anyone, anytime and your friends know that just one phone call, you will appear if they really need it.

**Personality:** You are warm and lovely, you always have a place in your heart for everyone around.

**Relationship:** Long-term, subtle and balanced are very important characteristics for the relationships you aim for.

*You see the baby's face*

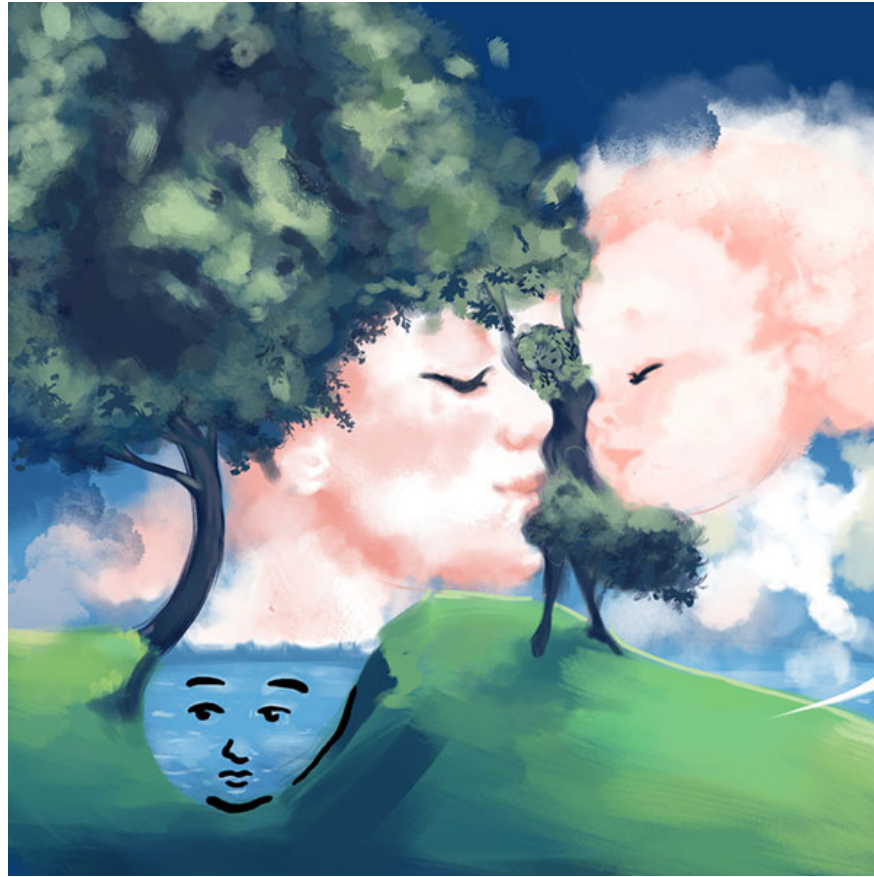

© brightside

If you see **a baby's** face first, you are the one who wants to be cared for. In love, you don't like being the first to step, even the second step. Your love life must have a foundation of honesty, consensus and harmony. You are very silent and do not like to make big decisions.

**Character:** your soul beauty, dedication and honesty are your main characteristics.

**Relationship:** You are sincere and feel good about a sustainable relationship, as long as you don't need to decide anything.

*You see the face in the water*

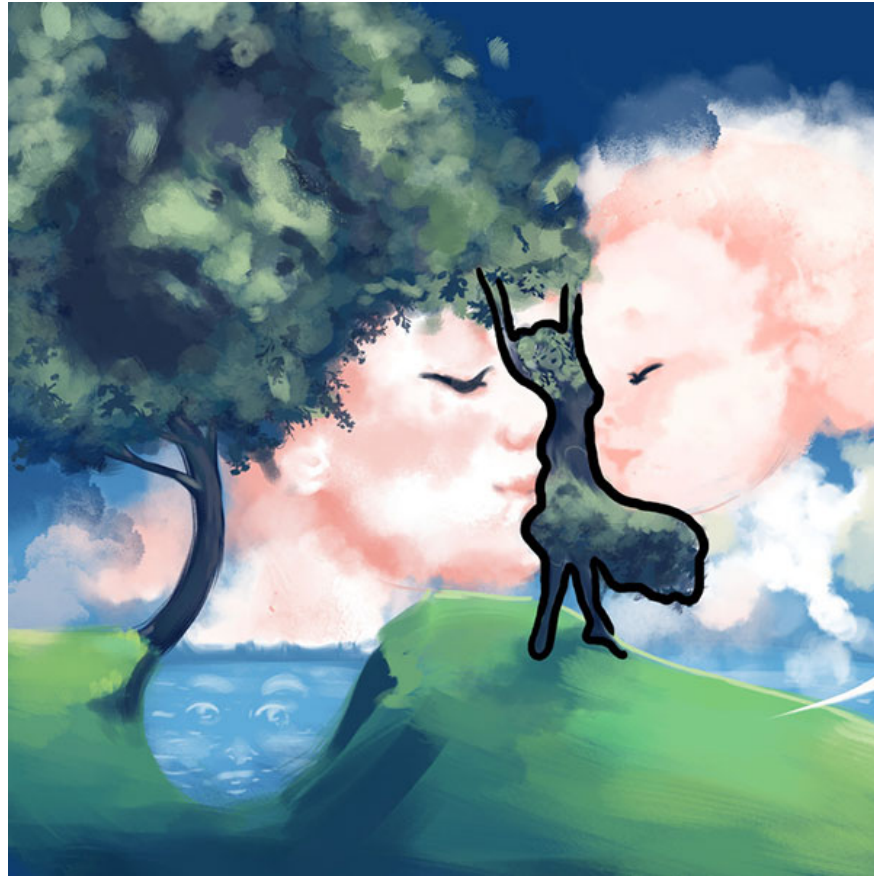

© brightside

If you see the image of **a face in the country** first, freedom is exactly what you want in your love. You enjoy your life in simple and hard ways, you make friends very easily but don't believe in deep feelings. You choose to live in the moment and not worry about tomorrow. You refuse to worry about everything. Life for you is great.

**Personality:** You are easy to calculate, but some people may think that you are a bit shallow.

**Relationship:** You don't want any constraints. You want to have many friends but don't want anyone to come too close to you.

*You see a woman's image*

© brightside

If the first image you see is **a woman in a long dress**, you must be the person who likes to be the center of attention. You are smart and appreciative when people see your intellectual beauty, but you should not mind if they pay too much attention to your appearance. You like to socialize, meet people, who have wide communication and always bring laughter. People like to be near you, but sometimes they are a bit jealous of your ability to give great ideas.

**Personality:** You like to have fun and that's what life is for you. Nothing will make you bored or make you feel disappointed.

**Relationship:** Deep down inside you are a little scared of serious responsible relationships. That's why you choose to stay away from love.
