

The plan to conquer her for those who are 'chainsaw'

How to have a super interesting plan on March 8 conquering her heart for the guys 'holding chains'? Please refer to the article below!

On these days, for couples who are in love, how to choose gifts or express feelings, it is very simple. As for the boys who are "sawing", they are definitely still crazy to choose to buy gifts and how to express their feelings to the enemy to make her feel the vibration, feel the feelings of her feet. from him and especially not too "out".

1. Men should do for women on March 8

1. Invite her to eat

Most girls like to be invited to eat, so this is probably the simplest and most effective way for you to date a girlfriend. Directly invite her to eat like normal days, as if you don't remember today as March 8. Please hit her psychology and taste a little more clever that you can invite her to eat. For example: "I saw a delicious hotpot shop on the internet today, but when I checked in, it ended, and I also like to eat hotpot right? So will I have dinner with you tonight?" It only needed exactly what she liked, and if she had a little affection for you, she would definitely agree. Remember to send a message to her that morning so that she won't have a date with her friend.

2. Giving gifts simultaneously

This method is only suitable for guys who have a little bit of money, so it would be more appropriate. On this day, as a man to congratulate women on the International Women's Day, you don't need to be too insistent about cable gifts, you just need to buy for the group of sisters around her and her, each a cup of their favorite water. This way does not make her afraid to receive gifts, but you can become "marshal" in the eyes of your friends and colleagues.

3. Send a message or personal card on March 8

1. How to make cards 8/3 for clumsy boys
2. Best wishes and best wishes for you and your sister on March 8

A message of love or a card sent by yourself that sent her attention to her was enough to make her feel shaky. It can be said that this is the simplest and easiest way to do it, but be aware, when texting, it will make the person think that you are texting the entire list of friends, your message will be dropped. Make girls doubt the speciality of the message so that the girl half suspects that "I am special".

4. Create random gifts

You can send a message via Facebook or Zalo or phone with the content "If you answer quickly the question: ABC, I will give you a gift on March 8. This is no joke!".

If the girl enthusiastically participates then of course the girl will be the chosen one with the "fastest" reason under your decision. And often such bluff games, the girls are very excited and very surprised when receiving

gifts. And you will be scored in her eyes again by the snub.
