1. Top 9 meaningful gifts that guys should give to their girlfriends on October 20, but only from 100k
2. Take the best and most meaningful 20/10 wishes to women
3. How to make cards 20 - 10 heart shapes simple and sweet

Vietnamese Women's Day is a day of honor and gratitude for women who have made silent contributions to the family and society. This is an opportunity for men to show their sincerity to women as a sincere thanks. On this day, beside the congratulations, a bunch of fresh flowers that are hand-picked by the gentlemen will make the women very happy and touched.

Each type of flower or plug will have a different meaning. Here are a few simple 20/10 flower arrangement templates you can refer to and choose for yourself the most suitable one.

## 1. Flower arrangement by theme

With this flower arrangement, you can name it as mother's heart or mother's bracelet . with this pattern, flowers and leaves in the heart shape, you can use white or red roses. Then put the flowers tilted by 15 degrees to form a

heart shape. To make a highlight for this flower basket, use glass flowers to adorn it.

With this type of plug, requires you to be very skillful to create a heart shape. Want to create the core you need: Styrofoam, zinc wire, small round white plastic ring. This form will be impressive when completed.

## **2. Traditional flower arrangement**

This flower arrangement we will plug in a cone. This is the most basic and simplest method of flower arrangement in all plugging styles.

With this plug, the flowers will be arranged in a sharp and very high direction with a gradation from high to low. In the process of flower arrangement, the main flowers will be evenly distributed, the greens will be inserted alternatively lower than the bottom of the flower vase.

### **3. Plug flower in dome style**

With this plug, the flowers will be arranged in a circle and the height of the flowers is usually average.

This type of flower arrangement looks very nice and if viewed from above, it looks like a circle. You can flexibly change in many different styles so that the vase is beautiful and radiant.

### **4. Plug the flower vertically into the cylinder**

This plug will be plugged in tall jars. In order to match this type of vase, flowers and gladiolus, trumpet speakers will be the perfect choice. With this type, you will feel like bringing a flower garden into the house.

When flower arrangement in these jars, you should prune off the branches and excess leaves to make the flower more eye-catching. Besides, pay attention to changing water daily.

## **5. How to plug orchids**

With soft flowers like orchids, the trumpet style is a reasonable choice. When arranging flowers in this vase, you should be aware that flower arrangements should not be too dense, which will make the vase become tangled. The best way is to keep your hands loose and open, which will make the vase more vivid.

## **6. Plug the flower in the fan-turning style**

To plug a flower vase in a fan-type plug, you should use flowers that are long and strong, such as gladiolus.

When plugging in, you can create accents in the central area or create a curve for the flower basket but still make sure the vase has a fan shape.

## **7. The water pitcher will be very suitable for flower arrangements**

If you have a soft bouquet of flowers in your hand. They should be plugged into a vase of water bottles. You may wonder about this flower arrangement. But water pitchers are a very useful tool for flower arrangements that people often overlook.

Tulips are very soft. Therefore, when plugging this flower into the mouth as high as above, the flower branch will hang down, creating a soft feeling. To adorn the vase, there is a trick to put some coins in the jar. The light from the coin will reflect and the vase becomes strangely sparkling.

## 8. Hydrangea and the form should be plugged into a glass of wine

With big wine glasses besides fruit, you can also flower to put on the table.

The average cups are usually quite large in size, so for pots and flowers to match each other, the flowers must also be large in size. With only 4 cotton hydrangea, the glass seemed to be filled. To make the vase look more beautiful, you should plug 3 hydrangea flowers around the mouth of the glass, and the fourth flower you put in the center into a triangle, creating the corner for the glass.
