

# The simplest way to sign out of your Google account on your phone and computer

Today's article will guide you in detail how to sign out of your Google account on iPhone, Android and computer with a few simple steps. Let's follow along so you can use any Google account you want!

Below are detailed simple steps to log out of your Google account that you can refer to.

## Instructions for signing out of Google account on Android phones

To sign out of your Google account on your Android phone, follow these steps:

**Step 1:** First, find and click the "Settings" icon on the home screen. Then, scroll down and find the "Account" section.

**Step 2:** In the list of accounts, click "Google". Next, select the account you want to log out of and confirm.

**Step 3:** Finally, click the "Delete account" button or the three dots icon (?) in the top right corner. You'll now see a notification that deleting the account will remove data associated with that account from your device. Please confirm to sign out of your Google account on Android.

## Instructions for signing out of Google account from iPhone

Signing out of your Google account on iPhone is also quite simple, just follow the steps below.

**Step 1:** Go to Settings on iPhone and then find the Mail application.

**Step 2:** Here, click on Account and select the account where you want to sign out of your Google account.

Step 3: Click the Delete account button and then confirm by clicking "Remove" in the pop-up window and you're done.

### **Instructions for signing out of your Google account on your computer**

To sign out of your Google account on your computer, you can follow these steps:

Step 1: First, open the web browser you usually use (Chrome, Edge.). Next, click the Profile icon at the top right corner of the screen.

Step 2: Here, you select the account you want to log out and confirm the request is complete.

Knowing how to sign out of your Google account from unused devices will help you better protect your account. Hopefully the above sharing will help you successfully log out of your Google account.
