

The Stt mood about the most shared love

Below we summarize some of the mood moods that will fit the mood of those who are in love, who love and will love.

Love is something sacred and noble. Everyone wishes to have a beautiful love. When the love is happy, happiness is all pink, but when the breakup is all dissolved, every prospect of beautiful love, happy life becomes too luxurious for us. If anyone has ever loved and lost love, he will understand how sad the feeling of breaking up is.

To express that mood, many people often choose sad statuses about love to post on Facebook, a way to express their thoughts and feelings at that time. Only a few simple, but deep lines will help you somewhat relieve all your troubles in life.

Below we will summarize some of the best moods, loneliness, loveliness . in love that will surely suit your current mood.

1. I want to be like any other girl!

Want to carry each other to go shopping for Tet .

Want you to take a haircut .

Want to give you roses .

Want to sit together in a pretty, cozy small cafe one-way late in the year, tell me about the days when you haven't come .

Want to sit behind his car, gently nestled behind his back, with him wandering around the streets .

Busy people on the street, everyone has couples, only me alone .

Suddenly craving a warm hand!

2. Do not love in the torment of others and our own . It is better to be willing to let unfinished love in the memory be better than that love becomes a burden for both .

3. When things go wrong with me, I just want to leave this place . Where there are so many memories between us. Everywhere I go I see your silhouette. Perhaps once upon a time, this road we used to go through so many times now that when I step on it, I feel my heart aching without him beside me and unable to continue. - Brother, when you go . Can you bring the memories between us that have been with you?

4. The life of a human is sometimes too fragile. Sometimes let it go in meaningless, because we cannot imagine the day when the one who is right away will not return. That is the longest nightmare that we will have to spend many years later to get used to.

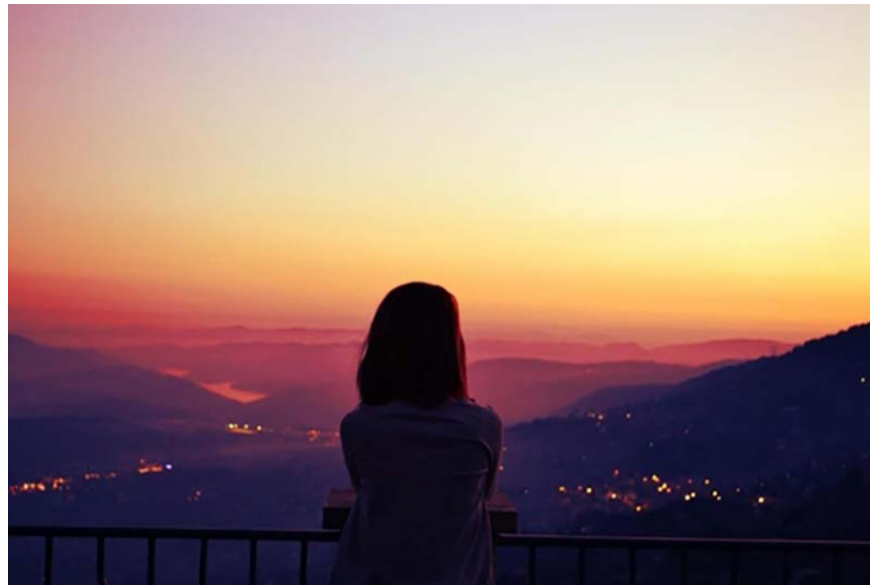

5. This life is always simple, complicated and confusing only from the thoughts of each person that proliferate, but to the end it will always be its cycle of revolving !!!

6. Boys choose to be silent for their sorrows, they don't cry like girls, nor express to anyone. When you want to listen, do not try to ask one sentence after another, please sit quietly beside, squeeze the shaking hand in that pain, and wait for them to share.

7. They said they knew what I was sad about because they heard me confide. But in fact they just confided in me 1/4. The rest of them didn't know anything more and so they insisted on others that I was sad about it while I was sad about many other things.

8. Sometimes tears become more valuable than a smile. A smile can be given to anyone, but tears are only for those we don't want to lose

9. In everyone's heart, there is a person who 'is no longer a lover . cannot become a friend'. Whether you like it or not, sometimes you will remember the person 'as a habit' .

10. There are cuts that have healed but still leave scars. There are memories that have been erased but it is always a pain. The most painful is when you love someone, remember someone but not talk, love someone so much but still have to break up

11. Sometimes you know that person is cheating on you. But you still pretend you don't know anything at all. But deep down, that's how you quietly choose to forgive.

12. Happiness does not last forever, and its nature is so

There are times when you need to fight through bad days to reach bright days. Happiness is not a state that lasts forever and you will not live in this period until the end of your life. Happiness is a series of moments. So cherish every happy moment, even small in life, to see your life more beloved.

13. He still silently follows my steps, though I miss you wanting to talk to me but I will keep quiet. Because I love you so much, I don't dare to bother my own life. Are you living very happily without me?

14. A girl who is not afraid to wait long, what they fear most is coming to the end suddenly realizing that what they are waiting for is really not worthy.

15. I am really sad and tired when I always have to try to be happy and happy. In fact, I just need a saying 'don't pretend to be strong anymore, cry on my shoulder and cry' but wait forever and not see .

16. It would be better to smile and say that everything is easier than explaining to someone what happened. It would be better to be silent to keep my mind than to talk to each other without wiping my tears

17. Not every wound that bleeds is the most painful. There are wounds that do not see blood to really be the most painful wound .

18. Now I suffer from the realization of the fact that there are people who can only be in our hearts and can never walk with us to the end of our lives.

19. Sometimes only one space left by him, but the whole world outside cannot fill that gap in my heart .

20. There is a silent feeling but burning, ravenous. But only dare to stand from a distance to see people walking next to another person . unilateral love is like that.

21. Cold wind rushes in, naturally finds the mood difficult to describe. A little memory, a little sadness by feeling with past memories .

22. If all is too difficult, let me meet you in my dreams at night so I can go through the cold winter days alone when I'm away from you.

23. There are times when lying alone remembering that person, want to send that person a message, want to send that person a stt, or just want to hear that person's voice . but why can't it be done For fear that he will not leave, he will not answer.

24. The most hopeless is when I don't know what I want, I don't know who I need .

Most hopeless is when I know that I am really looking forward, but I don't know where to look .

. that was when, knowing where it was, but could not reach it but reached it .

25. There are sometimes silence in the middle of life and again . Suddenly, I want to walk but want to stand still. There are sometimes listening to a song and thinking about singing about me how unfinished? Why is it so bitter . Sometimes . I have a feeling of peace in my heart to make my heart softer when I think of someone.

26. Love gives us so much joy but sadness is endless. When people leave me
It was when I was most desperate.

27. O God, why do you give me love so I can hope and then take you away
away from me forever .

28. Life is inherently unjust, love gives us more frustration.

29. Why do you bring joy to me. Let me leave you one day in the midst of unbearable sorrows.
30. Knowing how when I love people, people love someone else. According to the love, the love runs, the love escapes.
31. Do you remember me in that remote place. Although I know that it is difficult to love far away, I feel that my heart always wants to remember him.
32. Why do you miss me like this. Remember the smile, remember the eyes, remember the voice. All is no longer yours.
33. I accidentally or unconsciously. Love each other, do not put me first, then lose each other then heartache again.
34. My dear, the street corner where we often wait for each other now has another couple of lovers instead. Every time I see them, I miss you.
35. There are people who love each other but cannot come together, people call it fate.

36. Life is a journey to find happiness, we must go looking for it forever. Some people find it right after that, and some people don't know what happiness is until the end of life.

37. When falling in love, then we feel stronger, more accepting to continue facing the next fall.

38. The way to find happiness is so far away, when I have to walk on my own, the person I return to is the original place.

39. I used to be like you, experienced pain in love. Now he will also be with me, whether I love him or not.

40. The day he walked in quietly. I cling to your hand but I can't be by your side. Forgive me, my love.

41. How can I forget you? By chance one way through the places where we were together. Her tears kept falling.

42. Why did I forget all the memories I had for each other? My heart hurts when I see you smiling with someone else.

43. I don't blame you indifferently but I only blame myself for being so insensitive to lose you forever.

44. Let us promise ourselves to erase each other's memories. Let each person find for themselves the real puzzle pieces.

45. The sky fell slightly with raindrops. It's like my tears when I say goodbye.

At times like that life becomes very tiring, a lonely feeling of sadness, wanting to throw away everything to find a place where I don't have to think, witness what has been happening. in your life.

46. ??Parting is when: Two people, two turns. Standing silently looking at each other, silently a moment away from each other forever .

47. Don't be sad because you didn't have a person in the past . But how to make him sad because their future will not have you! (Source: Emotional stems stem from the heart)

48. Two people, two cities, two types of weather but the heart and the beat, waiting for something, Is this . Love Away!

49. There is a quiet but burning emotion, ravenous. But only dare to stand looking from afar . unilateral love is like that!

50. Truth can make us suffer for a while, but the pain you have to go through being deceived or betrayed can last for the rest of your life.

51. When confessing but being rejected, the real man will have very clever statements that make the other person think again: 'Hii, it's okay, I can wait. When do you need to stay with me for an hour? '

52. I'm tired! I'm feeling abandoned, speaking without anyone listening, I'm sad that no one is there, I'm lonely without a person

53. Happiness . it won't last long . But the pain . the deep print can't be erased! I miss you so much.

54. Silence is the best way to know who needs us and who is remembering us.

55. The most peaceful with a girl is to be hugged by her loved one and forget everything .! I miss you so much?

56. Sufficient sunshine will bloom and love enough, happiness will be full .

57. The biggest sadness is trying to be happy

The biggest pain is always trying to smile

58. Choosing a lover just 3 things is enough: Do not fool me, Do not hurt me, and be willing to be with me even if I'm not equal to people.
