

# The whole country frantically with the game 'Adorable Home': Most bosses are not enough, they still have to deal with 'tuesday' about pole dancing

The series of moments in the Adorable Home game that has made netizens crazy in recent days will surely stimulate your curiosity to the extreme.

The world of 7 billion people today contains all personalities coming from different individuals, but there will certainly be a group of people destined to be the "lotuses" dedicated to caring for bosses. My best pet. Perhaps because of that reason, Adorable Home - a simulation game and simulation of the life of a young couple around many lovely cats - is storming in the Vietnamese online community and in some areas. other areas of the world.

Besides simple yet bright graphics and cute graphics, one of the most interesting points of Adorable Home is the situations and random happenings that the game brings to the player. These episodes can happen at any time under all levels, even ironically many times the plot plot twist in the movie. Sometimes you will laugh because of it, but sometimes back to the gut because of what happens before the eyes.

If still not convinced, let's take a look at a series of memorable moments of Adorable Home gamers sharing below:

Oh, my dear mi so much, I have become so accustomed to being able to do it that I want to do not like it anymore ???

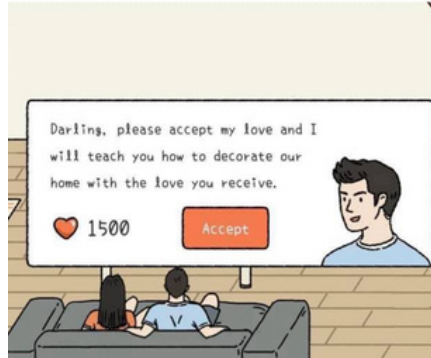

Don't think this is a domain for cat bosses. Sometimes taking the dog home also makes cats . afraid to run.

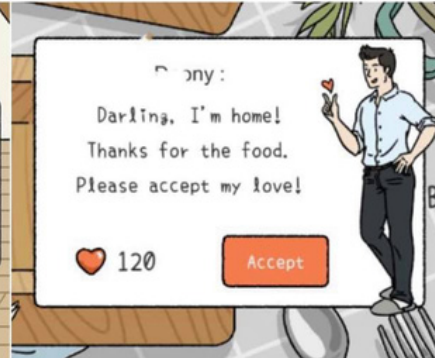

One night woke up to see the husband suddenly . dressed in his wife's skirt, tied the hair romantic strumming for listening?

## Lúc mới yêu

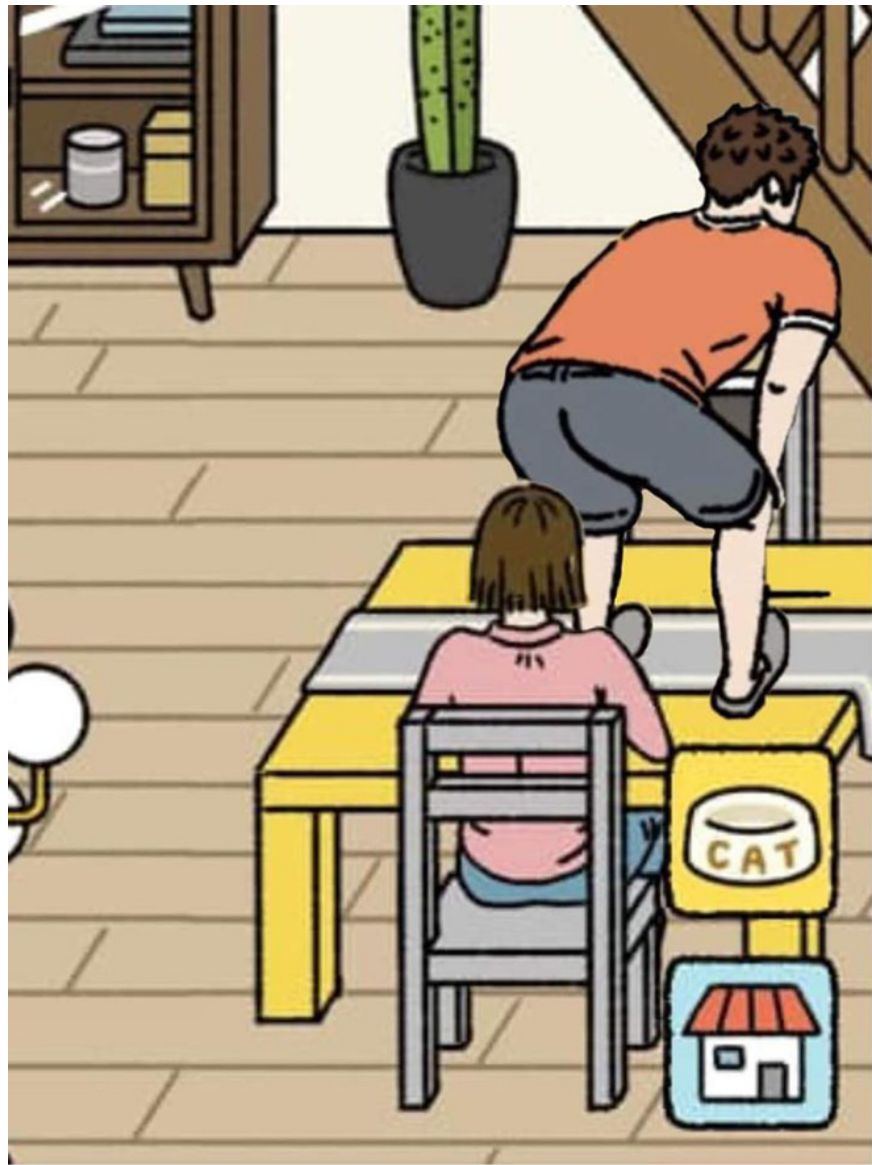

## Yêu 3 tháng

Reaction ran out of words as the game progressed.

I accidentally deleted the fish tank in the yard so he went fishing in the house.

Continuing the series on the husbands who have confusing actions.

Release her husband for a day and she takes the tuesday to the stage in front of the whole family like this.

Do you notice a koala swinging a pole in the house?
