2. Extraordinary sentences for gamers in the "Judge" style

After a period of broadcasting on Vietnamese VTV1 film frame, "Living with mother-in-law" has created a fever with many people, especially girls who have been and are preparing to marry.

Each broadcast episode is a lively topic for most sisters. Everywhere we see people talk about movies a lot. In the film beside the attractive content as well as the ingenious acting of the cast members, the film also left an impression on the viewers by the "shocking" lines and the touching touches of the girls doing. strawberry.

These lines come from almost every character line, especially the character Mrs. Phuong (undertaken by People's Artist Lan Huong) - a domineering and difficult woman and always has a biased view of her daughter-in-law.

1. "From the past to the present, I went to my room when I ever knocked on the door!" - A mother-in-law interferes with all of her own personal matters, not letting the young couple have any private space.
2. "Who has not married yet went up to his own room, got out of the door embraced the kiss" - The conservative thought of her mother-in-law made her daughter-in-law "quiet".
3. "Absolutely not let girls ride on their heads! If not, don't raise their heads later!"

4. "He is self-reliant at his house or where he doesn't care, but having stepped into this house must follow the principle here!" - The statement proves that "entering into customary", "the nation has the national law, the family has rules", is a daughter-in-law to go to the house is everything to listen to her mother-in-law.

5. "The wife is just a strange girl from the place where she comes back, not taking this girl, taking another one!" - A classic dialogue as Mrs. Phuong's mother-in-law makes the audience disqualify the producer too much when describing this mother-in-law relationship.

6. Perhaps the relationship between mother-in-law and bride-in-law will be better if the son has political views but even Thanh said: "My mother is the butler, the supervisor cum the child manager. Not asking my mother ask who " .

7. "Girls are very kind now, beautiful, they are very talkative, they are also very annoying, so according to my opinion, from the beginning, I always finished my job. Losing my heart before".

8. "All mother-in-law have super common denominators" - A good saying of Minh Van's best friend in the film.

9. "Beautiful, ladies often go hand in hand. Being married to a bride, do you know if you can take care of your family?"

10. "My son is tall, the state job is stable, the house is big and the door is big and he lacks a daughter."

11. "Being married to a mother and son must be right to decide. The mother runs backwards and forwards, she does not see or say anything ungratefully."

12. "Mother is more experienced than it. She is all right and right."

13. "I only have one mother. My mother raised my child, not to listen to their daughter's daughter return to her mother."

14. "I hate most men and boys all day and around the kitchen! Do all the women in this house die?"

15. You should have little relationship . Good roof is bad

16. "Women get married, it is important to take care of them and give birth to them. Both of them are not complete yet, what other relationships are important!"

17. "Are your parents at home teaching you that?"; 'My family is so unhappy to have a daughter-in-law like you, it is true that my parents at home don't know how to teach.'

18. "The daughter-in-law here is not the Grandmother in the house. There is no daughter-in-law who considers friends more than her parents-in-law"

19. "It is important for women to get married to take care of their husbands and their babies. Both of these things are not complete yet, what other relationships are important."

20. "Once upon a time I thought that just loving each other would overcome everything. But marriage is a grave of love."
