

There is already free Assassin's Creed Rebellion on Android and iOS, invite download and experience

Today, Ubisoft has officially released Assassin's Creed Rebellion completely free on Android and iOS. From now on, users can download this game and experience it.

Assassin's Creed Rebellion is a strategic entry game, centered around Assassin's Order Assassin in the Spanish scene in the 15th century. In the game, players will have to create their own Brotherhood team by building a base. Go on, create weapons and recruit 40 different assassins.

Today, Ubisoft has officially released Assassin's Creed Rebellion completely free on Android and iOS. From now on, users can download this game and experience it. Like many other free mobile games, Assassin's Creed Rebellion has a system for buying items with real money for up to \$ 99.99.

According to information from Ubisoft, the company will provide events for players to join, open up more legendary assassins and get attractive rewards.

Note: In order to play Assassin's Creed Rebellion, the user's device must always be connected to the network.
