Xiaomi, China's maker of smartphones, recently released a survival shooter in its own fantasy 3D space called "Survival Game".

Although many people believe that this game is inspired by PUBG and Fortnite, two famous survival games are loved all over the world but Xiaomi has confirmed their game has its own unique features.

In "Survival Game", players will move by spaceship and have to parachute into a wasteland. Here, players will have to find ways to win other players, become the last survivor. In order to increase the appeal of the game, players will be provided with many necessities, guns and especially a range of flying aids.

In addition, the manufacturer also offers players many different character classes to avoid boredom for each round.

Graphics of the game is not impressed with almost every player Xiaomi claims to have optimized the game to provide the best quality.

Currently, the complete version of "Survival Game" has been released. To download "Survival Game", Xiaomi smartphone users only need to access the Mi App Store. For Android smartphone users can access the link below to download the APK version.
