

These accessories are indispensable in PUBG

When participating in the survival war in PUBG, there will be extremely basic items that players must bring, if they want to survive long in the game.

To protect themselves and attack opponents in survival games like Rules of Survival or PUBG, the weapon system is the first element. But besides that there will be basic items that any gamer must prepare for themselves. These items will help players survive longer in the game. The following article will name the necessary items in PUBG.

1. Bullets for each type of gun in PUBG
2. Loot locations in PUBG Mobile
3. Mistakes in PUBG make you 'slip' Top 1

1. 3 types of backpacks in PUBG

There will be 3 types of backpacks that players will get in PUBG. Each type will have different effects, different storage capacity and the percentage of finding bags is also different. **Note that players** with accessories such as clothes and hats will increase the capacity in the backpack.

Backpack type 1

This type of backpack will be easy to find when we loot the map during the battle. This backpack contains quite a few accessories, guns, bullets, as well as medicine.

Backpack type 2

This type is as easy to find as a backpack, the amount of ammunition, accessories, and blood that can be stored in a backpack will be average. Normally, during the battle, the type 2 backpack will be selected.

Backpack type 3

This type of backpack will make it harder but so that users can bring more accessories, guns and ammunition from the battle to the end of the game.

2. 3 types of armor in PUBG

Armor type 1

This type of armor will be easy to find with the ability to reduce damage by 30% and has a durability of 200+ 170 additional equipment.

Armor type 2

In this type of armor, you can also search throughout the map, with the ability to reduce damage by 40% and have a durability of 220+, plus 200 additional equipment.

Armor 3 will be the most difficult to obtain, 55% damage reduction and 250+ durability, 230 additional equipment.

3. 3 levels of caps in PUBG

Type 1 hat can reduce 30% damage and has a durability of 80 for caps.

Type 2 hats will reduce 40% of damage and have a durability of 150 for hats.

Hat type 3 will only be found in the supply box, reducing 55% of damage and has a durability of 230 for caps.

Notes when playing:

1. If it is not shielded by armor, but the shot on the limbs will suffer 50% less damage when hit. If shot in the head, the damage is equal to 2.5 times the chest shot.
2. The strength of the armor will tell the player the damage of the armor before it is destroyed, the percentage of damage reduction indicates the armor's resistance rate, the armor at high level will increase. 1 armor is still guaranteed until it is destroyed. A level 3 hat with a durability point can still protect you against the

attack of Kar 98k sniper rifle.
