This list will be new names on the Play Store that many Android users probably don't know. Here are the 5 most popular new apps on Android in 2017:

Photo Editor - Beauty Camera & Photo Filters

Boomerang

TopBuzz Videos: Viral Videos, Funny GIFs & TV shows

Yarn - Chat Fiction

Besides, Google also offers a list of the most favorite applications, although it does not mean the most downloaded, but the name that Google chose is also very prominent among the same applications.

Topping the 'Best App' list is Socratic, the application uses AI to guide math and science subjects. Socratic also won the 'Best Hidden Gem' award.

For Socratic, learners just need to take photos of the exercises they need help with and will receive the answers. There are also instructional videos and suggestions from other classmates.

Here is a list of some winners of other prize categories:

1. PicsArt Animator: Gif & Video (entertainment application).
2. Litsy (social application).
3. Simple Habit Meditation (daily application).
4. Qapital (creative application).
5. 123 Numbers (application for children).

For games, the top game of the year chosen by Google is CATS: Crash Arena Turbo Star, the game comes from Cut the Rope's owner, with the mission of fitting cars and participating in battle. Other popular new games of 2017 include

1. Super Mario Run
2. Bubble Witch 3 Saga
3. Magic Tiles 3
