

Tips and strategies to play Gacha Life gamers need to know

Gacha Life is an anime-style fashion and simulation game, especially appealing to Japanese animation enthusiasts. If you love Gacha Club, everyone will also enjoy playing this game.

In Gacha Life, players will create and design anime-style characters using them to create skits, studios, and story modes. In addition, there are many mini games for players to earn free gems.

In this article, let's find out the Gacha Life tips and strategies that gamers need to know to progress quickly.

Learn how to level up in Gacha Life

Upgrading the friendship of the characters in Gacha Life helps to increase the main level. In addition, players have access to other functions such as gifts, puzzles, unlocking new characters, quick travel, import and export in the profile section, .

In the menu below, tap the Life button. This will bring up the life mode, where people can interact with the characters; Talk to them, ask questions, play quizzes, give them gacha items,. to raise the level of friendship.

Use gacha and watch ads to collect stamina

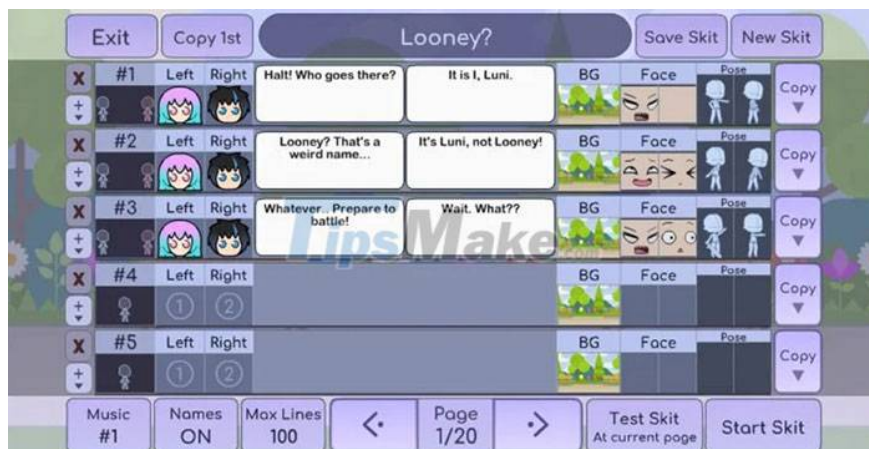

Stamina, SP or Stamina Point, is a base game currency that gamers will need to play Life mode.

For example, one needs 2 Stamina Points to talk to a character, 3 Stamina Points to ask a character, 5 SP to give a gacha item, and 50 SP to play a puzzle. There are several ways to earn Stamina Points as follows:

1. Play Gacha: Spend gems on gacha and get Stamina Points as a bonus reward.
2. Watch video promo videos: Watch ads to get free gems and Stamina Points.

Design skits in Gacha Life with Skit Maker

Skit Maker is a great feature of the game Gacha Life that allows gamers to design their own skits with personalized characters, quotes, and scenes.

On the game's main screen, tap the Skit Maker button to go to skit edit mode, where the player can select characters for their parts, locations, and add dialogue, quotes, backgrounds, and frames. face, posture, . to make the skit meaningful.

Once you're done, tap the Save Skit button in the top right corner. And then click on the Start Kit button in the lower right corner to start the skit.

Master the puzzles in Gacha Life

In Gacha Life, when playing quizzes with characters, people will receive questions. These questions are all answered by the same character. Touch the character in life mode, select Ask and read what the character says to you.

For example, if you want to know the characters' favorite drinks, hobbies, moods, personalities, etc., do it by asking them. People can ask the character anything they want.

Play mini games to earn gems

The mini games in Gacha Life include:

1. Ichi's Math - answer math questions
2. Bex's Festival - catch food
3. Duck & Dodge - avoid ducks
4. Phantom's Remix - hit the disc at the right time
5. Narwhal Sky - collect the stars
6. Orca Sploosh - sploosh gacha ball flying back into the air
7. Picc Pawket Rhythm - tap on musical notes
8. Abushu Candy Toss - touch the bunnies

Try to get the highest score to get maximum rewards and climb in the leaderboard.

Collect free gems in Gacha Life

People need gems to receive items, gacha. When completing the tutorial for the first time, gamers will receive about 200 free gems. Play mini games and watch promotional videos to increase your gems.

Use gacha to get gifts and stamina

Gift items and stamina can be obtained by spending gems in the gacha. There are two options available in the gacha menu as single gacha (withdraw 1 item) and 10 gacha (withdraw 10 times). Players can get items from 1 star to 6 star. The higher the rarity of the gift item, the more friendship XP the character has to reach the next

level.

1. 1 star - 28%
2. 2 stars - 25%
3. 3 stars - 22%
4. 4 stars - 15%
5. 5 stars - 8%
6. 6 stars - 2%
