

# Tips for playing Rules of Survival in Zombie mode

Zombie mode in the Rules of Survival game gives players extremely attractive challenges. How can I safely pass this game mode?

If the player Rules of Survival wants to increase the attraction when participating in the survival battle in the game, then probably will not be able to ignore Zombie mode. This game mode brings gamers a lot of attraction when you can choose yourself into Zombie and go to attack others, or you will become a warrior and attack the Zombie again.

This mode of playing Zombie will still provide you with 3 modes of battle, Solo to fight with the remaining 119 players. Or you will join the Dual-duel, or fight Squad to fight with 3 other people forming the team. Whether you are a zombie or a warrior, you have the goal of becoming the ultimate winner. So let's see what is the secret to the Zombie game mode in Rules of Survival.

1. How to install the Rules Of Survival game on PC
2. How to play the Rules Of Survival game on the computer
3. How to fix errors hanging game Rules of Survival

## 1. How to become an uninfected warrior?

If you play the role of a warrior, the first and key task is that you must not spread the disease. Keep your distance from Zombie. So what is the safe distance with players?

Safe separation is the distance that gamers can control every situation in the game, from attacking, controlling Zombie or finding a way for themselves when they are in danger. In case of a duel or team match, try to coordinate as much as possible with the team members to create safety not only for themselves, but also for other

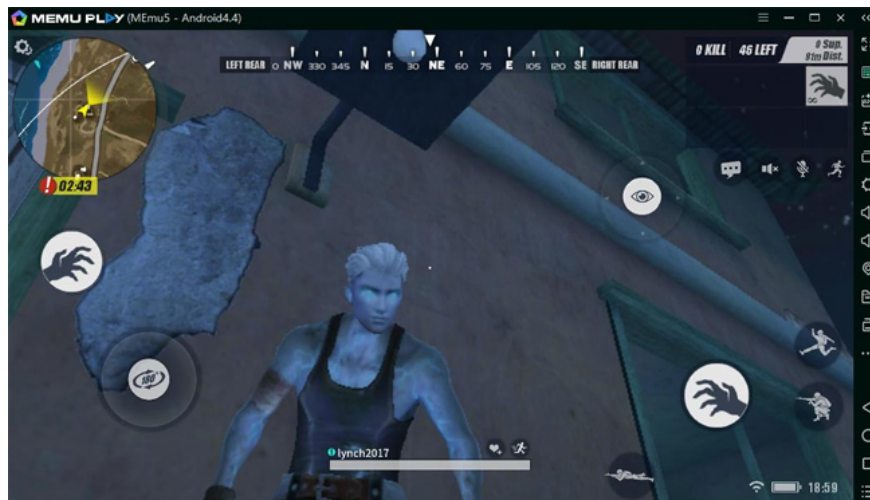

members.

Zombie army in the game is prepared with special abilities such as high jump, fast movement, abundant blood. But the disadvantage is that they have no weapons and you do. Use every weapon you have to kill the Zombie.

## 2. How to infect and become Zombie bosses

As mentioned, Rules of Survival provides two modes for players, including turning themselves into zombies. Your mission is to infect others and destroy anyone, even the zombie you encounter. The other person in the battle will become a Zombie boss.

Stand near the warrior and use your claws to scratch them. However, it is not always possible to jump out to scratch them immediately, but hide, wait for the opportunity and beat them up when possible, especially when you encounter an unarmed warrior. Please wait patiently for the right opportunity to destroy the opponent. You will be in danger if you encounter warriors with weapons because they can destroy you whenever possible.

In general, even if you play a soldier or a Zombie in Rules of Survival, there are general rules, such as patience, hiding, choosing the most appropriate chance to destroy the enemy. Use all your experience when you play the Rules of Survival mode in Zombie mode to become the ultimate winner.
