

Tips on how to match the Arena of Truth

Here are some tips to remember the matching formula in the Arena of Truth effectively, if you memorize and apply well, you will find the map of DTCL very quickly.

Equipping champions is an integral part of the Arena of Truth. There are many new players in the Arena of Truth and it is imperative to memorize the matching formula if you want your squad to be stronger.

And in version 9.19 DTCL gamers have also added a list of new items paired from the Gauntlet and the new champion Kai'Sa. So gamers also need to remember the formula to match the equipment and choose the right item for your squad.

In the guide below, Quantrimang will introduce you to some tips to remember how to combine items quite effectively that can help your team to build up more quickly.

1. Some tips to help you advance to the Top 4 easily in the Arena of Truth
2. Guiding formation and equipment suitable for Kai'Sa Arena of Truth
3. Want to climb quickly to the arena of Truth, skip these habits right away

Remember the most essential equipment for your squad

When it breaks, stun the champion who broke the shield

In your mind you have formed a certain formation that you want to build. So now you just need to remember the items needed for your squad and divide it into 2 categories: main damage and main tank for the squad.

And once you have determined what equipment to use, you will easily remember the items needed for each of your generals.

The equipment needed for attack damage in the DTCL here is the equipment that deals damage and increases attack speed such as Cannon Barrage, Blood Sword, Infinity Sword, Rage, . (Most are starting with Sword BF and Wooden Bow).

Items that are needed for damage based on skill in the DMG are Vigil Luden, Witch Hat . (Starts with Oversized Sticks).

And the resilience items that every team must have in the DTCL are: Armor Armor, Dragon Claw and Blood Armor Warmog . Instead of trying to memorize all the formula to match the Arena of Truth, just remember the items map really needed, you will find the team map much more effective.

Equipment test when playing normally

If you are not rating, then enthusiastically test equipment that you do not know about that equipment in regular matches. During the test, you will know how the equipment is used and for which champion.

Those are two effective ways that can help you remember better the matching in the Arena of Truth, if you have any tips to help players remember how to better pair, share with Quantrimang by commenting below. Please.
