

Tips to earn coins quickly in Chikii

Tips to earn coins quickly in Chikii, Tips to earn coins quickly in Chikii help users to freely play all PC games on this application.

Chikii is a cloud-based PC gaming application, or can be called an emulator to play PC/console games on phones. Chiki supports all existing categories of PC games.

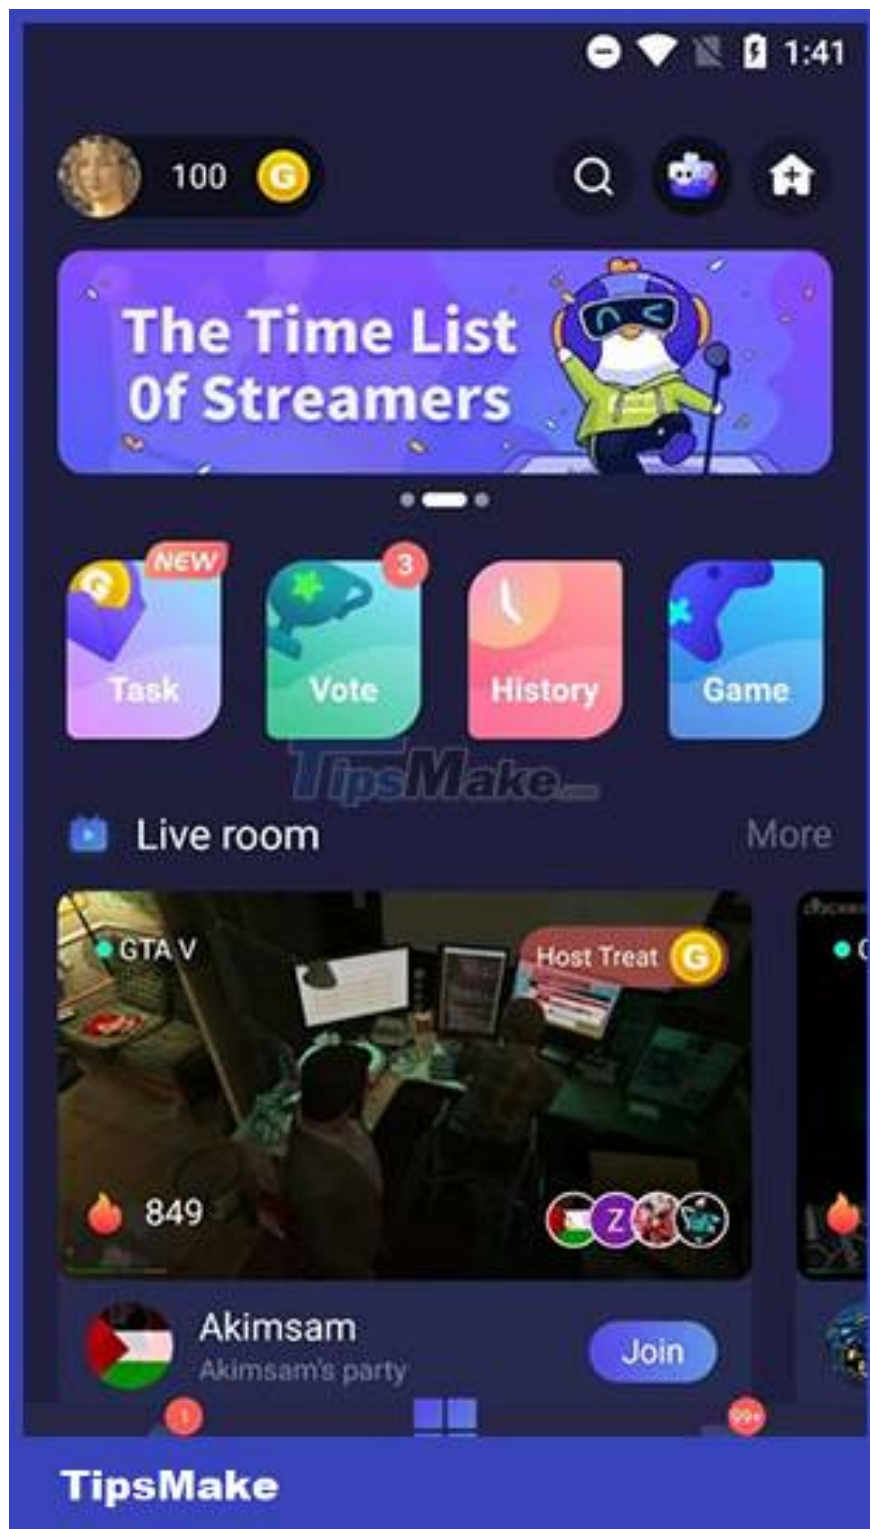

Chikii also supports external controller for better gaming experience. So people can connect an external controller via Bluetooth connection. In addition, Chikii provides auto-save for every game the user plays. So progress will be maintained as long as a certain checkpoint is reached.

The only weakness of this application is that to be able to play the game, users must use Chikii coins, which are difficult to earn. Even so, there are certain ways to earn Chikii coins faster.

Tips to earn coins quickly in Chikii

Live on Chikii often

Regularly live on Chikii is an effective way to significantly increase the amount of coins accumulated. Try to live on Chikii for at least 40 minutes a day for the app to give coins to everyone.

Log in every day

By logging in daily and not skipping any days, people can increase the number of coins in their vault faster. Every daily login, the player will receive a certain amount of coins. With 28 consecutive days of receiving free Chikii coins, everyone can freely play PC games in this application.

View ads

Like other apps that can offer many free items by viewing ads, Chikii uses a similar system. For an abundant amount of coins, actively watch ads through the Weekly Task menu.

Complete mission

Tasks in Chikii are divided into 3 parts, which are Amateur (amateur), Weekly (weekly) and Additional (additional). By completing the existing task list, gamers can start earning money little by little and this is one of

the ways to earn Chikii coins on this one quite effectively.

Complete achievements

Chikii is a special application when it has an achievement system like video games. When the user completes an achievement, they will usually receive a separate reward, the amount of which depends on the difficulty of the achievement. So make the most of this system as a way to get free Chikii coins faster.

Buy VIP on discount

Usually, promotions will appear regularly as discounts on VIP access, so users can buy when they are on discount. People can buy the 3-day VIP batch because the price is relatively affordable.

Share invitation code

Users can also invite their friends to use the Chikii app. For each person who enters the code, the player will be rewarded with coins. In case, do not want to invite anyone, people can invite themselves by creating another account number and entering the invitation code of the main account. Although this way to earn Chikii coins is a bit complicated and time consuming, it is quite effective.
