Tips to level up quickly in Sonic Speed ?? Simulator, Instructions on how to level up quickly in Sonic Speed ?? Simulator - the game is simulating the Sonic series

Sonic Speed ?? Simulator is a game on the Roblox platform, simulating the famous movie: Sonic the Hedgehog. The game is licensed by SEGA and developed by Gamefam Studios, bringing a new experience of the super speed green hedgehog, overcoming challenging tracks.

Join the Sonic Speed ?? Simulator, players will control the character to run through the stunning landscapes of Green Hill, enjoy the real taste of the amazing speed of racing, and earn some attractive rewards on the road.

Besides, gamers need to collect Chaos to upgrade characters, unlock exclusive Sonic character skins and show off to friends in the most fascinating game in Roblox history.

In this article, let's learn how to level up quickly when playing Sonic Speed ?? Simulator, helping players gain many advantages.

How to level up fast in Sonic Speed ?? Simulator

Choose the best Chaos

Chaos is a pet that helps players collect more XP than usual. So getting a good Chaos is the key to succeeding in this game and leveling up quickly.

The best Chaos can be found at the top of the loop, found next to the yellow Ring 1500 XP (in the spawn area). Gamers will notice a vending machine with a huge CHAO sign. Go there and buy Jewel Gold Chao for 1200

Ring.

The player is advised to purchase more than one Chaos and then evolve them through the Pet menu. If done right, Jewel Gold Chao will increase 25 XP and reward 5 Ring more, or 125 XP and 25 Ring when evolving. Everyone should definitely own 1 Chaos if trying to level up fast.

Choose the best Trail

In addition to the Chaos pet, players can take advantage of Trails, special items to help level up quickly. The best trails in Roblox Sonic Speed ??Simulator is Legendary Sonic Speed ??Trail.

Gamers can buy it from a vending machine for 8000 Ring and need to follow these steps to locate the machine:

1. Reach level 25.
2. Unlock Rebirth first.
3. Enter the world of Emerald Hill.
4. Approach the Loop in Emerald Hill.
5. Find a vending machine on one of the nearby hills.

6. When the Legendary Sonic Speed ??Trail can be purchased, everyone will receive an additional 20 XP and 10 Ring to aid in rapid leveling up.

Collect all gems and rings

Players can now start leveling up at the highest speed by collecting gems and rings available in the Green Hill area with the following steps to get the most XP:

1. Collect all gems and rings on all bridges and tunnels.
2. Collect gems and rings in 5 Loops.
3. Collect all the XP rings, including: blue (1000 XP), yellow (1500 XP), purple (1750 XP) and red (2150 XP).

After completing the collection of all gems and rings, the player needs to return to his spawn point. All collected gems and rings will respawn at that point. People can repeat this cycle as many times as needed to level up quickly through increasing XP.
