Instructions on how to play Zoo 2 Animal Park for beginners: For beginners, you need more than that and here are some tips to play Zoo 2 Animal Park for beginners, to help you have a good start than in the game.

Tips to play Zoo 2 Animal Park

1. Focus on completing quests for fast development

If you really want to be a zoo tycoon, you better focus on the main quests in the beginning. Complete those quests and you will earn coins, a large amount of experience, and many other items. To check your task list, click on the old man icon in the upper left corner of the screen and click on the task log icon. Watch a turn of pending missions and complete them all for rapid growth in Zoo 2 Animal Park.

2. Build money-making facilities

By building money-making facilities like ice cream vans, snack vans or beverage vans, you can make a decent income from it. Don't forget to upgrade these stores to earn even more money.

3. Adorn the zoo with decorations

These items add bonuses and keep animals and visitors happy for a certain amount of time. To prolong that fun, add more decorations to your zoo.

4. Hire staff to automate all jobs

When you build new areas, managing the entire zoo by yourself is very difficult. You need to hire staff and they'll give you a hand. So how to recruit employees? Let's build an administrative building to do that. Sometimes, you can get more employees from missions.

5. Very helpful friends

The friend feature is unlocked when players reach level 6. Add friends, visit their zoo, help them collect friendship hearts, and get a friendship chest for free. These chests contain valuable items.

6. Spend and invest in a reasonable way

Zoo 2 Animal Park has 2 currencies, that is coins and diamonds. In which diamonds are very precious and difficult to find. So, don't use diamonds to speed up quests because it's very wasteful. Instead of spending on this activity, save diamonds and use it to buy some necessary items. These items play a very important role and can only be purchased with diamonds.
