How to survive when parachuting in Rules of Survival

1. Download the Rules of Survival PC game

1. Quickly find cover

As soon as you land, quickly find a hiding place, avoiding other players. The attacks at the present time are not necessary. Even if you win in this opening competition, it can still be a good prey for other players. If they have good shot guns in their hands, you will not have hope to live.

2. Remember the location of other players

When preparing to land, keep in mind the location of the enemies you see, remember quickly, as much as possible. If you have a quick memory, high observation ability, you can memorize more terrain, the path at the enemy area jumps down. Thus, we can stay away from that area when there are no items to pick up.

3. Select a safe room to hide

As soon as you land and find a hidden position, players look around and search for the house so you can hide in an empty room. This will be very advantageous when you don't have a lot of weapons in your hand, or if you fall into a lot of enemies and can't remember all their positions, you should find some room.

To hide in the room, select a gun with the damage at close range as Shotgun or SMG, a position difficult to attack from many sides like the back door, in a closed room. Then concentrate on listening to the surrounding action.

4. Flexible position when shooting

As mentioned above, when landing, should minimize the clashes. But not all gamers are lucky enough to find safe hiding places.

If unfortunately to participate in the attack, in the battle please constantly change the shooting position to create the initiative to attack the enemy. Don't just stand still and shoot because the enemy can judge your shooting position. Repeatedly changing positions, shooting angles make it difficult for enemies to detect their position.

Whether to start the Rules of Survival fight by landing in a "good" loot location, the players need to prepare stealth, attack and survival skills to keep them safe. the later wars. Don't be too engrossed in finding and picking up things that are defeated by other opponents.
