

To turn off the brightness of the phone screen when there is a Viber message

If you want to turn off the brightness of the phone screen when there is a message coming from Viber, please see the instructions below.

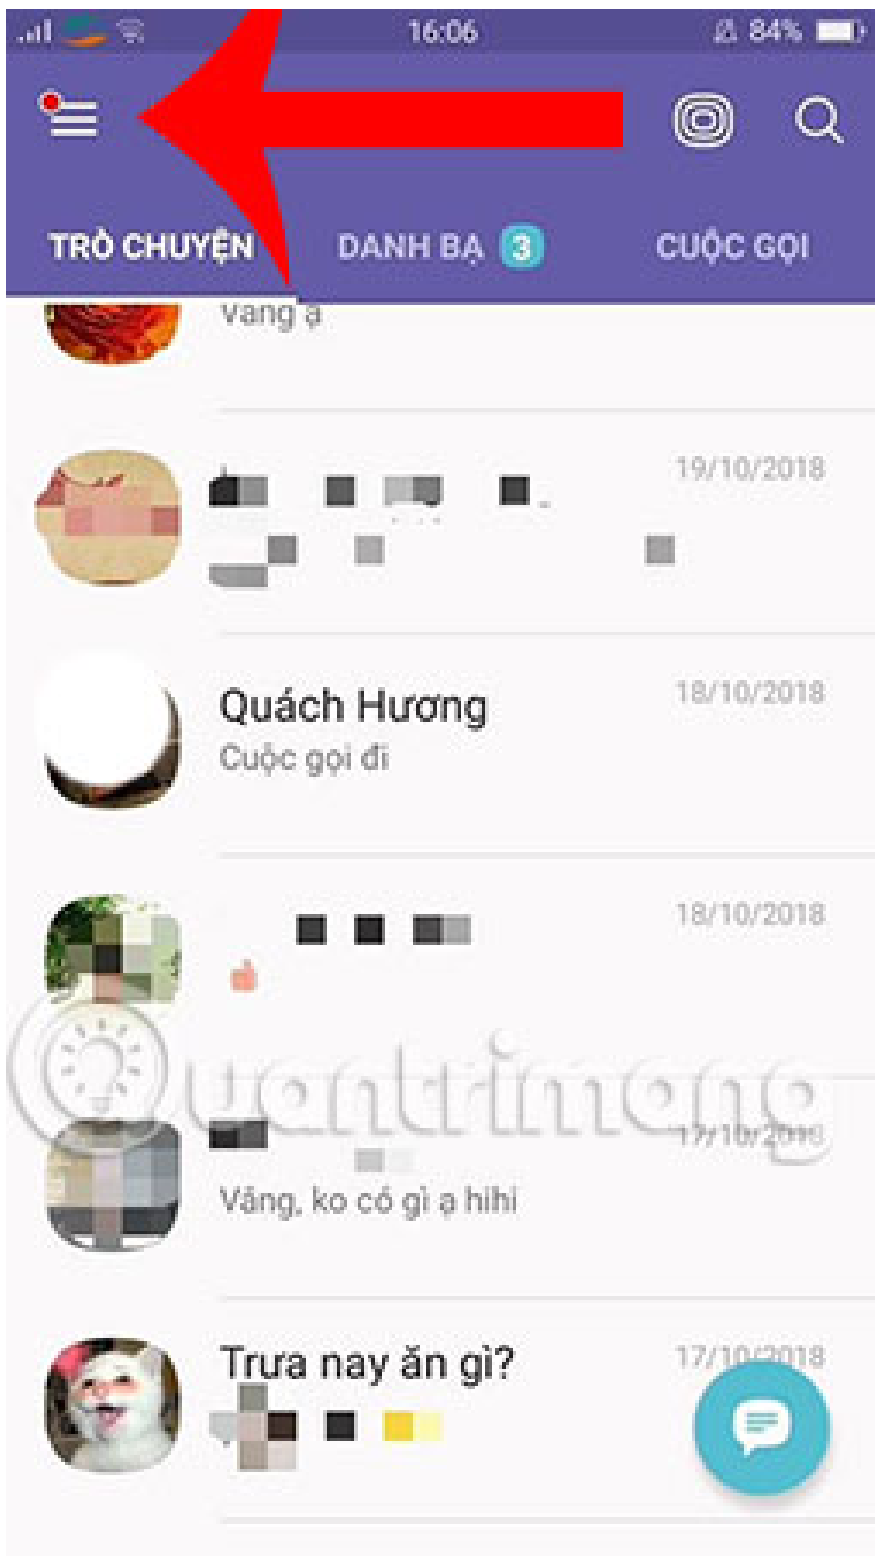

Normally, the phone screen will automatically turn on when there are new messages or notifications on the Viber application. This feature is quite useful, but in some cases it causes some distractions, you may be distracted while working, during the meeting or startled when you fall asleep, . So if you want to turn off the brightness of the phone screen when there is a message coming from Viber, please see the instructions below.

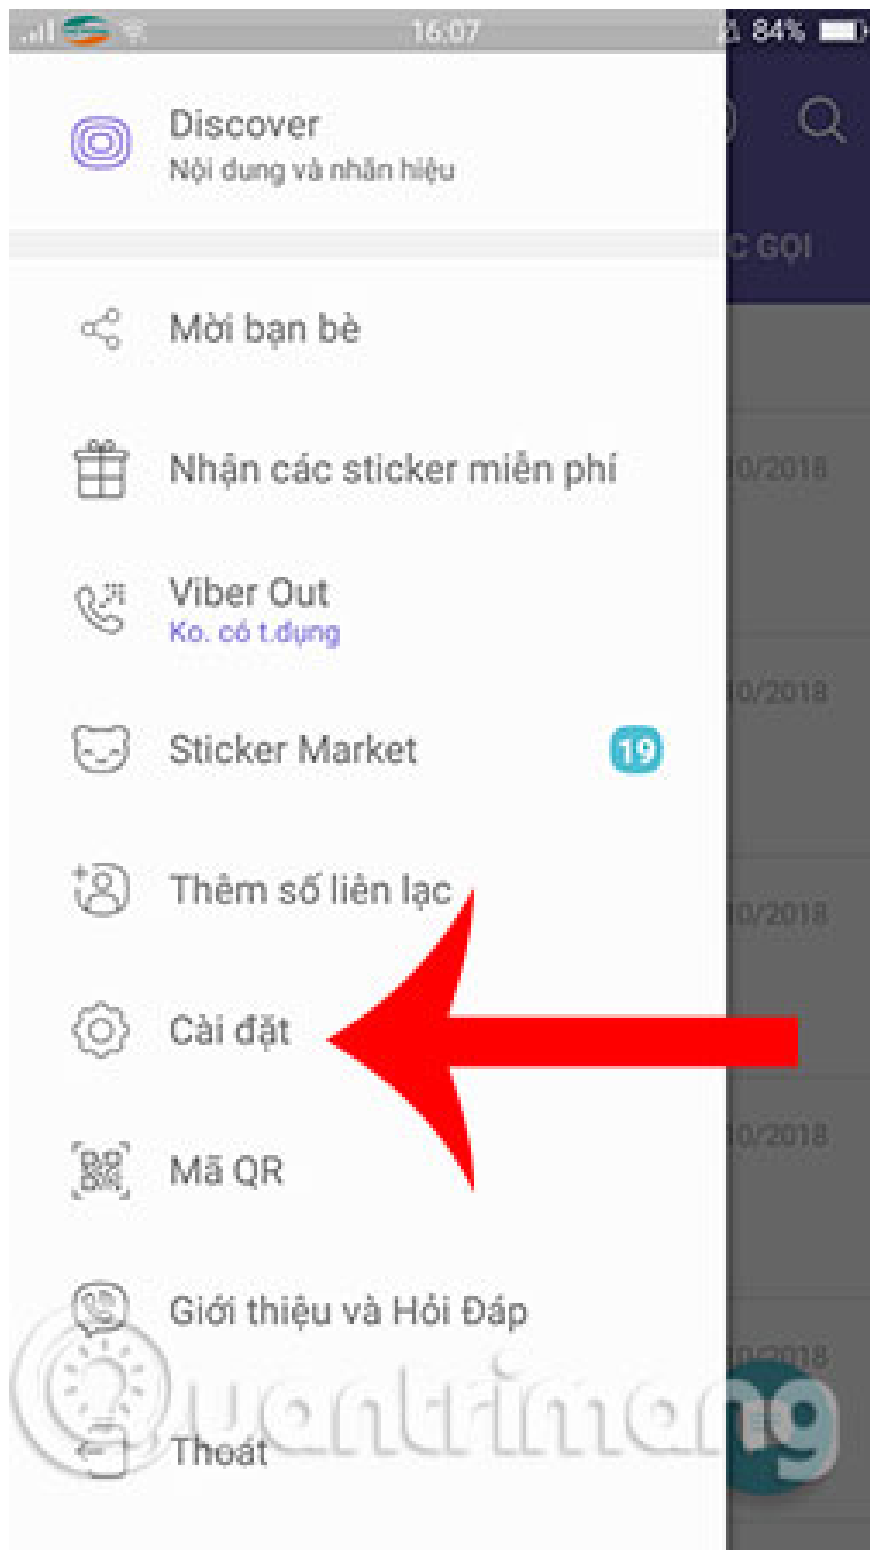

1. How to change the conversation background on Viber
2. How to turn off Viber message notification sound on Android
3. How to turn off Viber message preview on the phone

Method 1: Turn off notifications from Viber on the phone

Step 1:

You access to Viber, at the main interface of the application, click on the **Menu** bar in the upper left corner of the screen (3 tiles icon). Then, select **Install** .

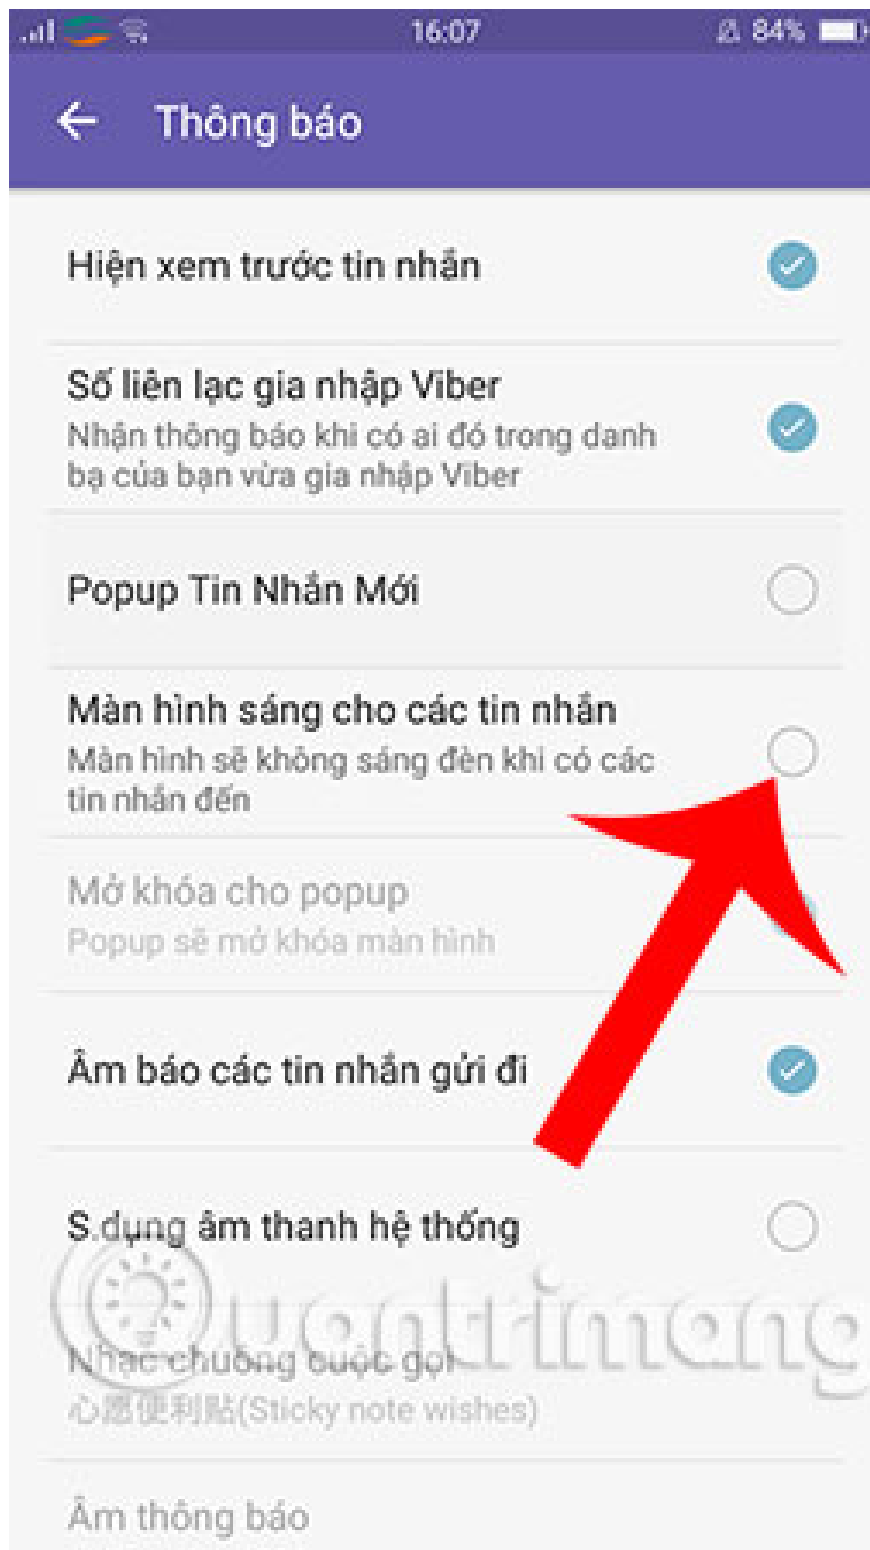

Step 2:

When the setting screen appears, scroll down and select **Notifications** . At this point, you will see the **Bright Screen** section **for the messages** , leaving the checkmark in this section.

← Cài đặt

- Tài khoản
- Quyền riêng tư
- Thông báo
- Cuộc gọi và tin nhắn
- Thư viện ảnh
- Hình nền Trò chuyện
- Chung

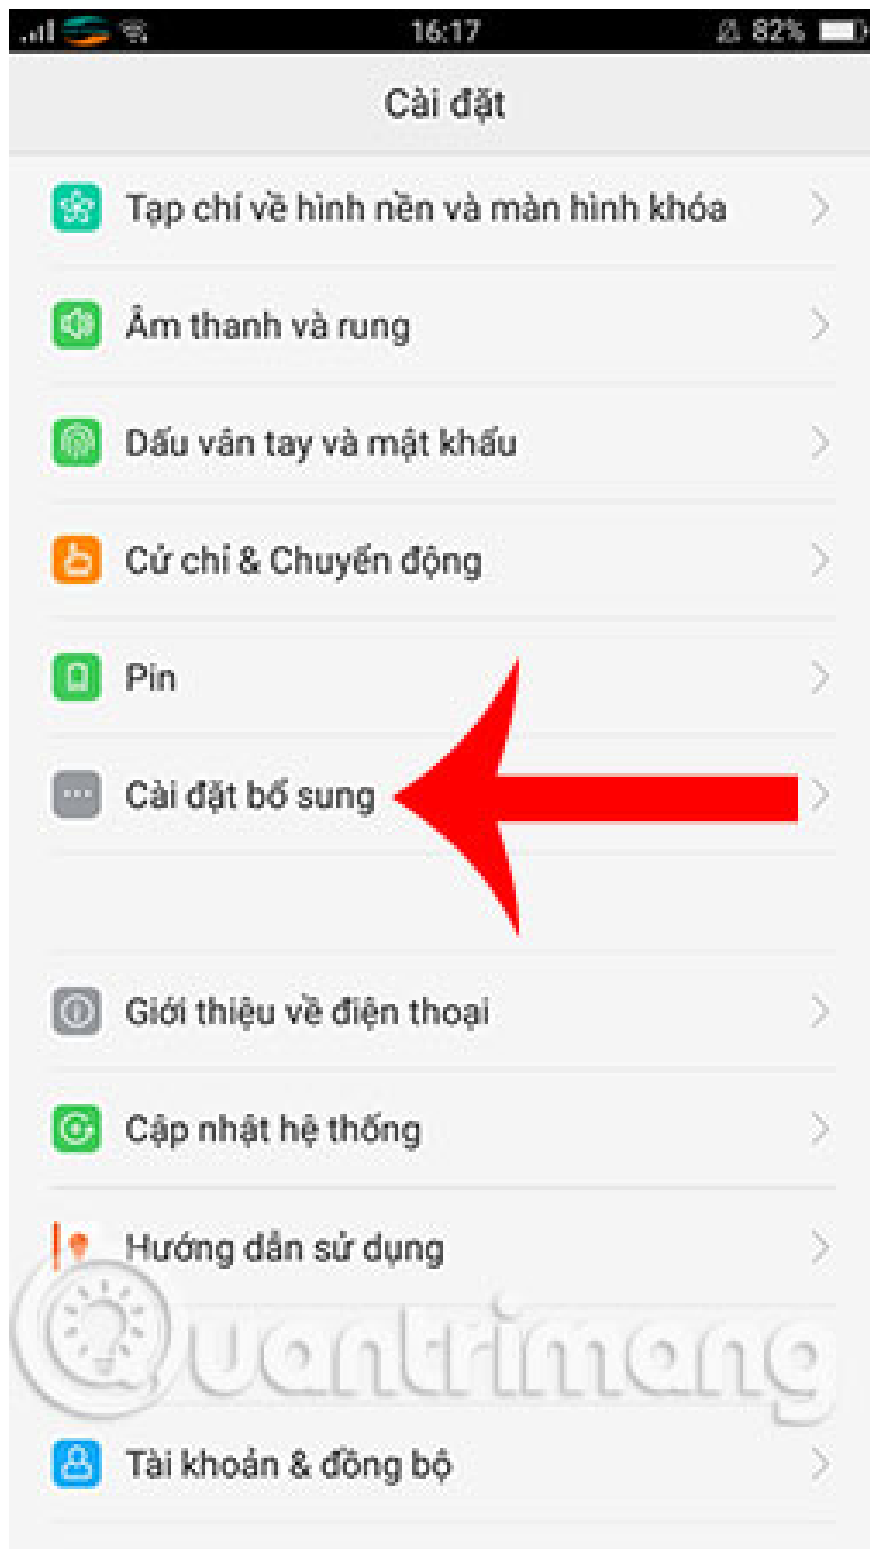

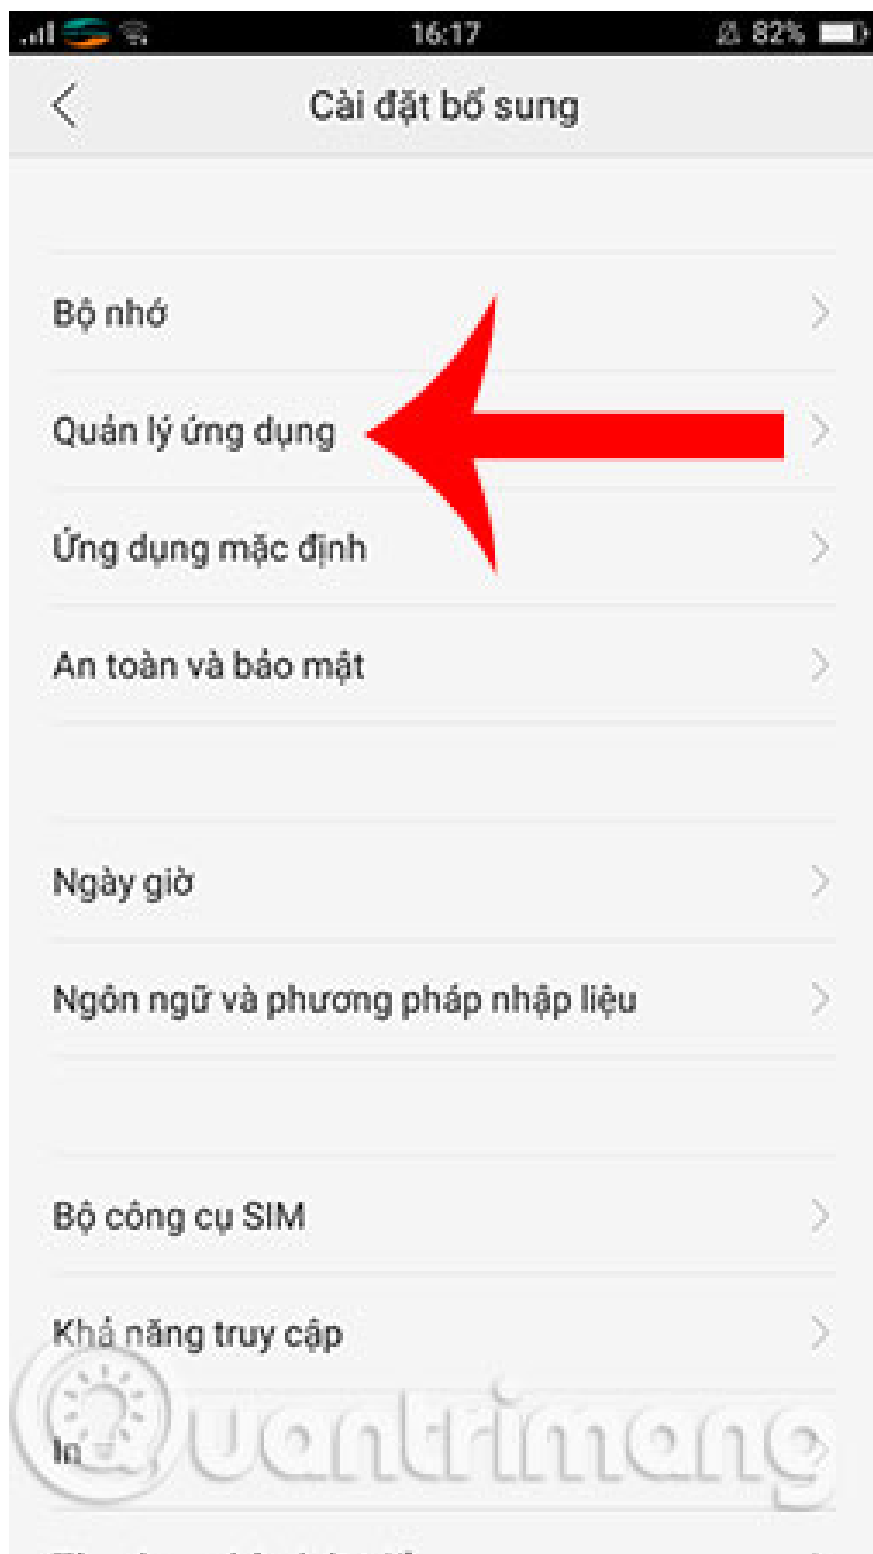

Method 2: Turn off screen brightness mode in installing Viber application

Step 1:

From your phone's home screen, scroll to **Settings**> **Additional settings**> **Application manager** .

Step 2:

Here, you find and select the Viber application. Next, to turn off all Viber-related notifications, you only need to swipe the switch bar of the item.

 **TikTok**
4,61GB Gỡ cài đặt

 **TubeMate**
26,47MB Gỡ cài đặt

 **Tu Dien Trung Viet**
126MB Gỡ cài đặt

 **Viber**
259MB Gỡ cài đặt

 **Vietbando Navigator**
82,85MB Gỡ cài đặt

 **WeChat**
551MB Gỡ cài đặt

 **WhatsApp**
72,29MB Gỡ cài đặt

 **YouTube**
147MB Gỡ cài đặt

 **Zalo**
116MB Gỡ cài đặt

Note: Applying in the second way, you will not receive notifications or messages from Viber anymore. If you want to read the message, you must actively access the application.

Just a few small steps like above, you can turn off Viber message notification to brighten your phone screen. From now on the phone screen will not automatically light up, this way will also help you save battery compared to before.

Hope you are succesful.
