Shooting game which is the favorite game series for all gamers because of the excitement it brings. Currently on the market there are a lot of shooters released this makes us not so choose any game line to play. And in this article TipsMake.com will introduce to you the 10 best shooters for PC so you can easily choose a good game for yourself. Invite you to follow!

1. CS: GO - Counter-Strike: Global Offensive

If you have ever loved the legendary shooting game CS 1.1 or CS 1.6, then CS: GO will be a game you cannot ignore. CS: GO has a lot of graphically updated maps, characters, weapons in addition to some new game modes and provides updated versions of classic CS content (de_dust2, etc.). Previously you would have to pay for a game, but recently CS: GO has officially been free for everyone to experience. Currently CS: GO is played by many gamers regularly and also has very attractive professional tournaments, so what are you waiting for right now?

2. PUBG

There is no need to argue much, the game that most fevers and attracts gamers recently is PUBG. This is a shooting game that combines survival with a new and unique game play that makes it attractive to every gamer when it launches officially. In the game you will be dropped on an island with 99 other people and your task is to find equipment and weapons to destroy other players and become the last survivor among 100 players.

3. Titanfall 2

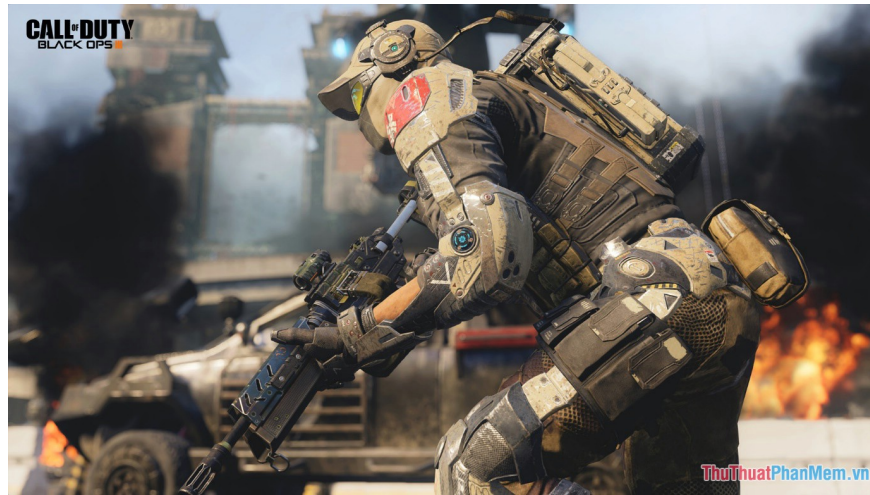

Blood fire, monumental that is what Titanfall 2 gives you. In the game you will control giant robots, equip advanced weapons and embark on an unrelenting battle. You will meet all 6 types of Titan in the game, each with their own equipment and characteristics for each role in the battle. The graphics of Titanfall 2 must be said to be extremely extreme and epic, you will feel exactly this when participating in the epic battles in the game.

4. Overwatch

Overwatch is the most realistic shooter game combined with the MOBA element that makes it back to the team shooter game that is loved by many gamers. In each battle, players will be divided into 2 teams of 6 players each, each player will choose for themselves a hero birthday. Each hero in the game has different characteristics and skills corresponding to each role in the game such as assassins, gladiators, tanks, healing . etc. Thanks to the variety of characters and the role that makes Overwatch have A high level of drama in every match.

5. Call Of Duty: Black ops 3

Call Of Duty: Black ops 3 is the first-person shooter game of the popular Call of Duty game series in the gaming community. In each part of Call of Duty takes us into a different context and in this part 3 takes place in the 2060s. These are wars of the future with modern weapons and soldiers who have Can use special abilities such as clones, go back to the old position in an instant, etc. Call Of Duty: Black ops 3 is a very mobile shooting game you can fly, jump on the wall or slide on the ground to run away or chase enemies.

6. Battlefield 5

Referring to Call Of Duty, it is impossible not to mention Battlefield because these are two rival game lines. Battlefield 5 is the latest game in the Battlefield series at the present time, so its graphics are top notch. You will enter fierce battles on a massive scale and it is no different from real-life battles. The game takes place during World War II, but it will not reenact famous battles in the past but will be entirely new battles that will make gamers not bored.

7. Fortnite

Fortnite is a survival shooting game with a huge number of players currently and is the main rival of PUBG. Unlike PUBG, Fortnite has a rather colorful and somewhat childish 3D animation style, but its play is great. In addition to loot and shoot each other we can build walls or even houses to hide, this is the point that makes Fortnite different from other survival shooting games.

8. Far Cry 5

Far Cry 5 is the latest game in the famous Far Cry first-person shooter series. In this part, you will have to fight a wild sect called Eden's Gate led by a parish priest named Joseph Seed. This is an extremely cruel cult and you must lead the rebels against them with the help of your friends. This is a game with a pretty good story and its graphics are also very good, you will not be disappointed when playing this game.

9. Sniper Elite 4

If you want to be a sniper, Sniper Elite 4 is the right choice for you. Sniper Elite is a classic and famous sniper game with a kill cam mode that allows you to track your projectile from the gun until it destroys the victim's parts under slowmotion. In part 4 the graphics have been significantly upgraded to make your kills more beautiful than ever. You will formally transform yourself into an assassin with the ability to assassinate, lay mines to trap victims. All will take place according to your intention.

10. Fallout 4

With Fallout 4 you will enter a fantasy world extremely realistic and charismatic. The context of the game is the city of Boston 200 years after the nuclear disaster, a gloomy world that was portrayed in detail by Fallout 4. In the game you will have to fight with monsters and bandits to help innocent people. A special feature of Fallout is that you always have a dog to support you in killing the mutated animals.
