

## Top 10 games with touching endings

Touching endings for stories aren't exclusive to movies and literature, we still have video games with deep and moving endings.

If you are a person who places great importance on emotion in the game, do not miss the top 10 games with touching endings below.

### 10. The Last of Us

The Last of Us tells the story of Joel, who has survived 20 years since the plague of the mutated Cordyceps fungus, causing the infected to become aggressive. Joel's life changes when he meets the little girl Ellie, they go through the events between life and death. More and more challenges make their relationship stronger, gradually they see each other as father and son. In the game, the player not only fights with people who have been infected, but also faces people like them, who are fighting for life.

### 9. Shadow of the Colossus

This is a game that causes a lot of controversy, people may love it or hate it. Shadow of the Colossus puts you in a large setting, mostly grasslands and hills. It is where the journey of a young soldier Wander takes place, wishing to break the curse that is being cast on his lover Mono. Wander has had to go through hardships, including sacrifices to meet the one he loves again.

## 8. Spec Ops: The Line

Spec Ops: The Line is set in the wealthy city of Dubai that has been devastated by sandstorms. Water now becomes a scarce and precious resource, people begin to compete with each other to get water. Players take on the role of Captain Martin Walker, during a mission, they had an accident and had to continue their life in the fierce desert. After all, players will witness the consequences of war, when a very fragile life can be taken away with a single peanut.

## 7. Halo: Reach

The hit first-person shooter series Halo is also interested in the storyline they invest in each release. Halo: Reach takes place in the midst of a war between the humans on the planet Reach and the Covenant forces. This is considered the greatest skirmish in the war between the humans and the Covenant.

## **6. Conker's Bad Fur Day**

More than just a funny game about a mean squirrel, an alcoholic, Conker's Bad Fur Day really made us stand still with a dramatic ending. The morning after a drunken night, Conker the squirrel wakes up to find himself in a strange land. He begins a long journey with the goal of returning to his girlfriend Berri's house. Meanwhile, he must also try to avoid the plots of the bad guys towards him.

## **5. GTA IV**

This is the only GTA that throws us into a drama loop with an unusual ending. All previous GTA installments have been relatively light affairs filled with characters with interesting personalities, silly situations, and happy endings. GTA IV leads players to Niko Bellic, a Yugoslav veteran who came to America to start a new life. Here he is quickly pulled into the dark side of American society.

## 4. Life is Strange

Life is Strange was one of the biggest hits of 2015, and is widely regarded as one of the best game stories. You play as a 12th grader named Maxine Caulfield who has the ability to manipulate time. During the course of the game, you can use this ability to go back in time and help the protagonist make a right or wrong decision. And whether it is right or wrong, the outcome of the choice is still something that you, or the character, have to accept in the end.

## 3. Metal Gear Solid 3: Snake Eater

Set in 1964, 31 years before the events of the original Metal Gear, the story now revolves around a FOX agent codenamed Naked Snake. His mission is to rescue Russian rocket scientist Sokolov, sabotage an experimental superweapon and assassinate his former boss. Metal Gear Solid 3 received praise for its story, gameplay, graphics, setting, characters, and memorable ending.

## **2. Red Dead Redemption II**

After a hiatus since Grand Theft Auto V, Rockstar is back and more mature with Red Dead Redemption II. This game is filled with sadness, but the ending is something completely different. In most of the game, the player mainly controls Arthur Morgan - a member of the Van der Linde gang. He must deal with the decline of the Wild West while trying to survive against government forces and rival gangs.

## **1. The Walking Dead**

The Walking Dead is not afraid to take us to a dark world where the dark sides of humanity are shown. The game does not emphasize puzzle, but instead focuses on story and character development. The story is influenced by both the choices in dialogue and the actions you make for the character. And in the end, you will have to face unpleasant results for yourself.
