

Top 10 most downloaded iPhone apps in the world, Tik Tok is at the top of the list

A series of new applications from China occupy the top spots, knocking the big Facebook down.

Below is the ranking of the top 10 most downloaded iPhone applications in the world recently, which many people are surprised. A series of new applications from China occupy the top spots, knocking down the "big guy" Facebook down.

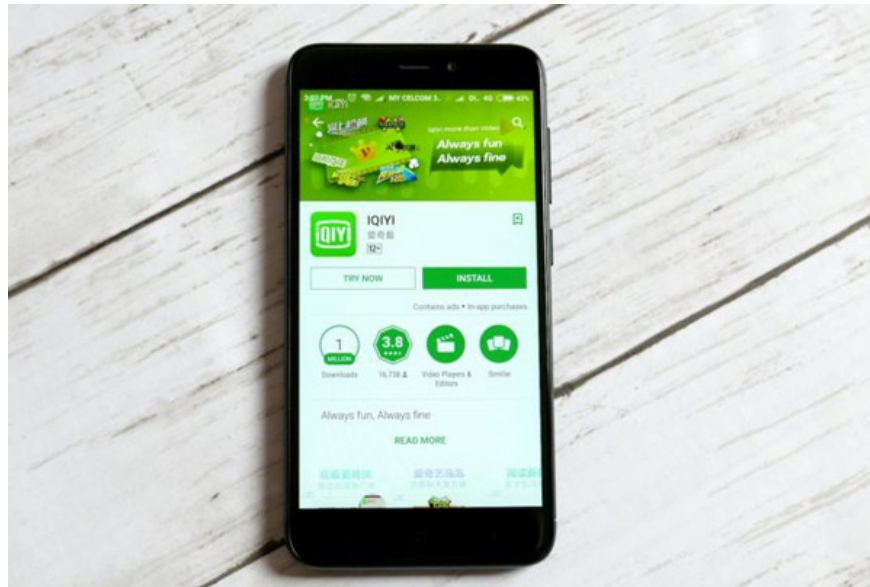

Let's see how the 10 most downloaded iPhone apps in the world have changed.

10. Google Maps

In any market, Google Maps is always in the top of the most used applications. As of the first 3 months of this year, there were 22.4 million downloads of Google Maps to the iPhone worldwide.

9. iQiyi

This is an application that focuses on streaming Baidu's online videos - Chinese technology giant. iQiyi reached 22.6 million downloads on iPhone.

8. QQ

QQ is a popular messaging application in China from Tencent. Not only texting, it also integrates many functions such as money transfer, music listening, shopping together.

7. WeChat

WeChat is not only a messaging application, but it is almost a general platform for trading in any form: content, finance . In the latest quarter, WeChat has a total of 28.9 million downloads. for iPhone.

6. Facebook

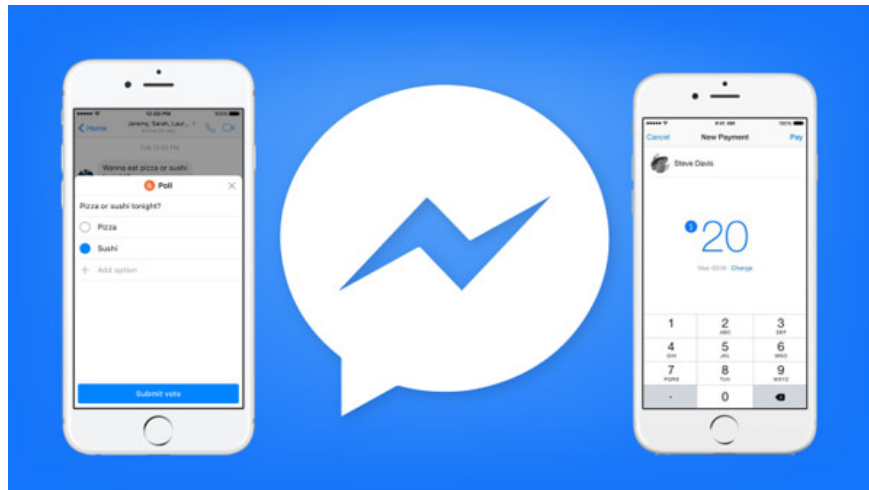

In this ranking, Facebook was unable to maintain its position in the top 3 but even so, the world's largest social network still has more than 29.4 million downloads in the first quarter of 2018.

5. Instagram

With its own features, Instagram has attracted the attention of young people and overcome their 'brother' as Facebook.

4. Messenger

Although very popular all over the world, unfortunately, Messenger is still unable to reach the top 3 with 31.3 million downloads.

3. WhatsApp

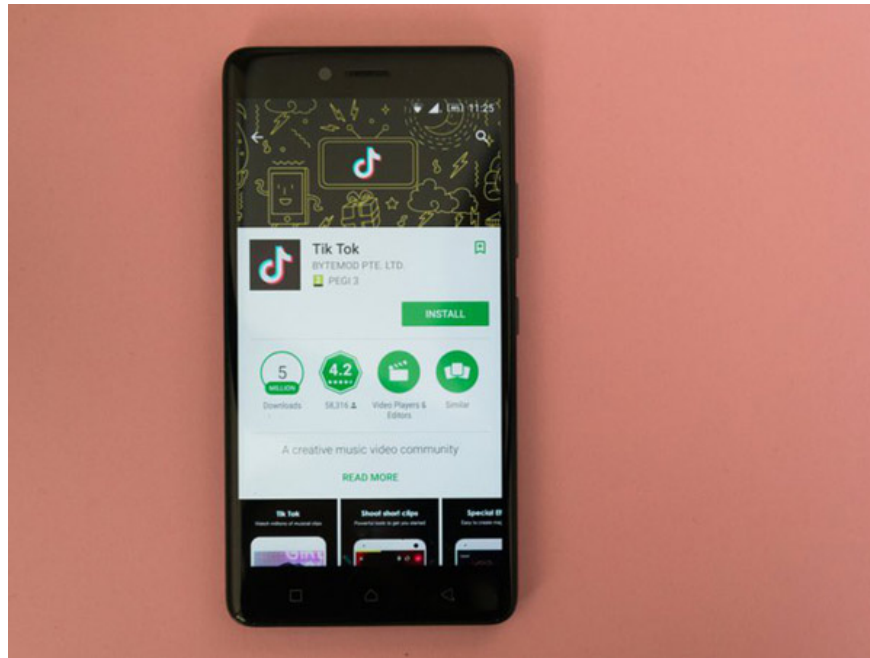

Although less well known in the Asian market, this messaging application has as many as 1.5 billion monthly users worldwide, only 2 billion less than Facebook.

2. YouTube

Interest in watching videos of users is increasing and being exploited much, so Google's online video network occupies second place is not too surprising.

1. Tik Tok

This famous Chinese app surpassed the number one spot on the list with 45.8 million downloads in the first three months of this year.
