YouTube is a video sharing site where users can upload or download to a computer or phone and share video clips. It was a strange and wonderful place. Recently, we took a walk around exploring YouTube's " *weird spots* " to check out some " *crazy* " channels. Usually, everyone likes to watch their favorite videos and YouTube is the source for a huge amount of videos.

In 2010, YouTube changed the rating system for videos from a 5-star scale to a **Like / Dislike button** . Because most people usually only use a scale of 1 or 5 to evaluate videos, this makes it easier. Since this change, the most Liked and Disliked videos on YouTube are considered appropriate topics for discussion.

Instead, all of them are available online, especially the popular online video clip YouTube. YouTube's Like / Dislike function allows network users to freely feel personal opinions as well as personal opinions on each video.

The list of the 10 most hated videos on YouTube has changed a lot, especially the appearance of the national hit song Baby Shark.
